Dear Canon Jones

Thank you  
very much for "A handful  
of corn upon the top of the  
Mountains". I shall value it  
much & make use of it for  
others. The seed you have sown  
will fall on my "German  
Fatherland" too, as I am  
going to send a copy to  
my sister.

My God bless you abundantly  
& strengthen you, for many  
years to come for the im-

: partant work you are doing  
in His vineyard!

With kind regards

Believe me

Yours very sincerely

M. Archdale.
