### ROYAL COMMISSION ON OFF-COURSE BETTING

For many years, certain interests have been urging the Government to legalise off-the-course betting. The specious plea has been advanced that if this evil is legalised, the new law can then be effectively enforced, and the Government will get extra revenue, as will, of course, the people who are planning to get the new licences. If the police do not enforce the law now, why should they succeed in doing so when a new Act of Parliament is passed. Does anyone seriously imagine that the small backroom S.P. "operators" will rush to become legal, simply because a new law is passed? The fact is that the volume of gambling will increase—especially among housewives and young people—if S.P. is legalised. The law CAN be enforced now if the authorities want the Police to enforce it.

But for the strenuous endeavours of the N.S.W. Council of Churches, the State Government would have legalised off-the-course betting early last year. The Council's vigorous campaign convinced the Government that such an anti-social move would be resolutely resisted and the proposal was dropped for the time being.

Now, elections over, a Royal Commission has been set up on off-the-course betting. The Council of Churches has been so active in exposing the evils which would ensue from legalised S.P. that it is bound to make its representations before the Royal Commission, and its Legal and other expenses will amount to £2,000.

Five organisations with a financial interest in racing are also appearing, and the Council is appealing to Christian people for this sum. If you can give your practical support to what the Churches are seeking to do, please send your contribution to the Secretary, Council of Churches, St. Peter's Rectory, 188 Forbes Street, Darlinghurst.

### CHURCH HOURS

At the Easter Vestry Meeting, the suggestion was made that some parishioners would be in favour of earlier hours for commencing some of the Services at All Saints'. The Rector would be glad if any interested parishioners would let him know their view on altering the Morning Services from 11 a.m. to say 10.45 or 10.30 a.m., and the Evening Service from 7.15 p.m. to 5 p.m. or 5.30 p.m. for the Winter months. Equally, the Rector would like to hear from any parishioners who prefer the existing hours.

The matter is at present only at the stage of seeking opinions, and no decisions have been made to alter the present times of our Services.

---

### FETE COMMITTEE

The Parish Council has appointed the following Committee to organise this year's Fete: Messrs K. Grant, W. H. Hall, R. Wright and Publicity Officers A. Jones and H. J. Shaw. If any Stall-holders have any problems or suggestions, please contact any of the above officers at any time.

The Committee would like to meet at least one representative of each Stall on Tuesday, 7th August, at 8 p.m. in the Parish Hall. Stalls would be very welcome to send along more than one representative if possible.

## FROM OUR KOREAN CORRESPONDENT

The following are extracts from a letter received by the Rector from David Cobbett, now Archdeacon of the southern provinces of Korea. He is well remembered as Assistant Minister at All Saints' last year, and his letter contains a thrilling account of work that Archdeacon Cobbett is doing in this war-torn country. The need for finance is urgent and the Rector will gladly accept offerings from parishioners and organisations to forward to Korea. The letter begins:

"After a very long journey in two ships, with a rather slow and very rough time between Hong Kong and Formosa, when the ship actually made no speed at all because of the frightful sea, we eventually reached Pusan on 1st December. When we were allowed on shore, we found that many folk from the Church, including many dear old ladies had been waiting for longer than five hours! We hired an ox cart to take our luggage while we walked along with the church folk, for actually the church and house are only a few minutes walk from the wharf.

As far as the life and work and worship of the Church is concerned, I have always noticed that church folk are very diligent and faithful even in the most severe weather. There was great suffering during these cold months. The Government has really done a great job clearing the streets of hundreds and hundreds of beggars, but the trouble has been to know where to put them, how to set them to work, how to feed them and how to keep them warm. The local authorities here rounded up 500 of them.

There is a purpose and hope alive in the members of my congregation here. At the beginning of this year, we renewed our very simple Korean-style Stewardship Campaign and the Christians promised to raise 14,000 Hwan every week by direct giving. This is a lot from a small group, as they are mainly very poor, for example, only about six or eight of them have a decent job; and 14,000 Hwan would be five pounds per week. We have promised to send three-quarters of this money to the Diocesan office towards our self-support programme. Meantime, although the paint is peeling and dropping from the walls of the Church, the actual building is sound and solid. All financial decisions are made by the church committee, and this year for the second year in succession the congregation elected a lady Church-warden. This is really something for the Orient where women are supposed to keep silent and unseen. . . .

For a long time I have wished that our church could undertake something to help in the making of jobs. Just a month ago, a tiny piece of land was acquired on one of the hillsides, a large ex-army tent was bought, the coal brickette machine, and the powdered coal. Our little coal brickette factory is now in production, employing the large number of three men. . . . but its a beginning. . . .

You may be wondering about the Sewing School. We were flooded with entries, mostly from dozens and dozens of very poor, jobless girls and we accepted as many as we could. The Sewing teacher is shortly to be Baptised, and she has made it quite clear to the girls that they ought to be in Church on Sundays. We are hoping to find a female Social Worker (Korean) who can meet these girls in their homes and encourage them in matters of health, food preparation, baby care, etc. . . .

We of the Anglican Parish hope to start a Housing Co-operative in the near future. We plan a big meeting, at which two leaders of the

Co-operative movement, both Koreans, are coming to talk to our people. A friend of mine assures me that in the future, if these Co-operatives grow amongst members of the Church congregations, it will mean that the financial leaders of the country will be Christians. It is very urgent to help our people to save even out of the little they have, so doing away with the grinding poverty and often near starvation that dog their tracks year by year. You will realise that being a Missionary in Korea to-day involves a little more than taking services and Bible Classes on Sundays.

As another venture into the dark unknown, we rented two floors of a building as a Students' Study Centre. We bought some chairs and light shades, were given some tables by an American family (who had to sell all their U.S. possessions to get here) and on the opening night, we had at least 60 students. The Centre is now open from 9 a.m. to 9.30 p.m.; students bring their own books and just sit down and study, read, or do their homework. It is the only place of its kind in the city of Pusan, a city of 1,300,000 people, and there was just enough money to provide chairs for 40 students. The rest have to stand up! . . .

Our Kindergarten School is now under way with 64 children daily. How long we will all be able to fit into the Church building here is a mystery. We will have to hold three Communion Services here before long; our immediate problem is how to handle the large number of people who want to be prepared for Baptism. The opportunities at the moment are wonderful indeed."

Can you help David Cobbett's cause. The Rector would like to raise fifty pounds to send to him, and any donation, no matter how big or how small, will be very gratefully received.

### PERSONAL

Our sincere sympathy is extended to Mrs. Ditchburn and her family in the passing of Mrs. Ditchburn's sister last month, and to Mrs. Beth Rohr and Mr. and Mrs. Colburt in the sudden loss of their husband and son-in-law, Neil Rohr.

### ARCHBISHOP'S APPEAL

Archbishop Gough is again conducting his Annual Winter Appeal for funds to lighten the burden this winter of many aged, infirm, and needy folk in the suburbs of this city. You can bring not only relief but real joy to the hearts of many needy folks again this year by supporting this worthy appeal, and sending your donation now, care of our Hon. Treasurer, Mr. Sopwith. Gifts are allowable deductions for Income Tax purposes.

### CLUB NEWS

**Indoor Bowls Club:** During the month of June, we acquired a new bowling mat, giving us a total of three. The increase in our membership made it necessary to have this extra mat, as we had too many players waiting. Now, we can have everybody playing all the time.

Don't you think it is about time you joined our club? An enjoyable game, good fellowship, and a nice supper can be had for only 2/- weekly. We teach you to play and enjoy doing so. Come along and see for yourself, any Wednesday at 7.30 p.m. Our last Competition match was against Kingsgrove Methodist on 20th June.

H. SHAW, Hon. Secretary

**Ladies' Guild:** At our afternoon on 26th June, we welcomed Miss Mitchell, who gave a most interesting account of the work of the Australian Board of Missions.

For July 18th, we have arranged a visit to the Daffodil Demonstration at their centre at McDowell's, George and King Streets. These Demonstrations are always very interesting, and we would be pleased to welcome any Ladies who are interested in cooking, to join us on that date. Ladies are requested to meet at the Centre at 1.30 p.m.

Our next Street Stall will be on Friday, 20th July; any donations of home-made cakes, scones, jams, or pickles are always much appreciated.

E. M. BOSWARD

**Basketball Club:** Thank you to all the people who helped make our Social such a success. Our financial position has now improved and we are able to meet our commitments.

On Saturday, 16th June, we completed the first round, and so far All Saints' has lost only two matches.

M. McPHERSON, Hon. Secretary

**Young Churchmen's Institute:** We held our Annual "Sports Quiz" on Friday, 8th June, and the Meeting proved very enjoyable. Our "Quiz Masters", Messrs Keith Dingle and Jack Gorman, kept things moving, and greatly contributed to the success of the "Quiz". Our Meeting on 22nd June, after a short transaction of business, was spent in Club Room Games, and a good time was had by all. Our July fixtures include President's Night on the 6th and "Manuscript Journal" (203rd Issue) on the 20th. Our Corporate Communion will be held on Sunday, 8th July, commencing at 8 a.m. We hope and believe that there will be a good representation of the Y.C.I. at this Service.

All men of the Parish are cordially invited to attend our Meetings, which are held on alternate Friday evenings, in the Y.C.I. Club Room (rear portion of the Parish Hall) commencing at 8 p.m. A copy of the Y.C.I. Syllabus will be gladly supplied upon request.

**Physical Culture Club:** As our Frolic will not be on until the end of June, it will not be possible to record the events in this issue of the "Chronicle"; however, we would like to take this opportunity of thanking all the Parents of our girls and boys who are taking part in the "Presentation" of the "Junior Debs" for their keen interest and help in the preparation of this function. Also, many thanks to the little "Rainbow Fairies" for their attendance and attention at every practice.

We will have much pleasure in reporting the events in the August "Chronicle".

F. DITCHBURN, Hon. Secretary

**Young Marrieds' and Friends:** The next meeting of the Young Marrieds' and Friends' Club will be held on Tuesday, 10th July, in the Y.C.L. Club Room of the Parish Hall at 8 p.m. New members or visitors are always welcome.

Thanks once again to all those who are saving newspapers and old rags for us. Please let us know if you wish us to pick any up from you.

Advance notice is given of our Annual Luncheon to be held this year on Wednesday, 19th September. We hope that the Ladies of our Parish and their friends will keep this date in mind. Watch the "Chronicle" for further details.

IDA BARRETT, Hon. Secretary

**Baseball Club:** Despite a recent defeat at the hands of Petersham School team, our boys are still in a good position in the baseball competition. Team manager, Mr. Reg. Minter reports that the players' attendance at the games has improved considerably, which is absolutely essential if the team is to continue winning games.

Robert Hackett continues to lead the batting, and he is well supported by Ian Grainger, with all players giving of their best.

Another team which formerly played in the Churches' Competition, St. Peter's, Cook's River, is also doing well in this open competition, and this emphasises the high standard of play which existed among the Churches. We hope to see another Churches' Competition under way very soon.

N. KENNEDY, Hon. Secretary

**Cricket Club:** The Annual Meeting of the All Saints', Petersham, Cricket Club will be held on Monday, 16th July, at 8 p.m. in the Parish Hall.

All prospective players for the 1962-63 season must either be present on this night or else inform me if they intend playing. This is most essential as we must be sure of our players before entering the Competition. Parents of players would also be very welcome at this meeting.

The Club would also be very grateful if one or more of the parents could assist either in the role of Manager, or help with transport to the games.

Mrs. Gorman did a splendid job in this capacity last season, but any assistance from the parents would be greatly appreciated.

N. KENNEDY, Hon. Secretary (Phone LL 5965),

## KNOW YOUR PARISH

In the May issue of "The Chronicle" we commenced a series of articles under the above heading, designed to give parishioners an insight into the aims and objects, the nature of the membership, and the activities of the many organisations at All Saints'.

This month, we hear from Mrs. Dot Shaw, Honorary Secretary of the Senior Parishioners' Club; who tells us about this organisation.

### Senior Parishioners' Club:

We have just entered upon our fifth year.

In April, 1958, this Club started in the Parish Hall with eleven members. Every Thursday afternoon since, (with the exception of Christmas Week and Holy Week) we have met together at 2 p.m. for a happy social afternoon.

Our full membership is now 60 people (both Ladies and Gentlemen attend) and each week we average 45 to 50, all of whom have an enjoyable time. Numerous types of games are played and lots of small prizes are given away each week.

The Club members raised sufficient money to purchase ten Laminex folding tables which we make good use of. At the present time, we are negotiating to buy an electric heater for our Club use. We sincerely thank Mrs. L. Teale for her generous donation towards this much needed commodity.

During the years, we have purchased good crockery and are able to serve very pleasing afternoon teas. We sincerely invite anyone who is interested in this Club to visit us at any time; it is not necessary for visitors to come regularly. Just pop in for afternoon tea and a chat, and one of our Ladies will be only too willing to explain to you our activities and the wonderful amenities available.

We have found that many of our members are folk who live alone and seek companionship. If you are one of these people, or if you know anyone in this position, we invite you to join us, or get in touch with the Rector. If you wish, we will call personally and give any information required.

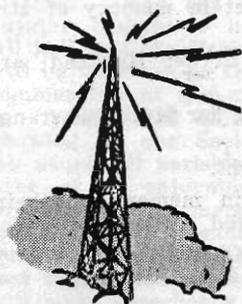

Ask any members of the Senior Parishioners' Club just how much the Club means to them personally. I know what the answer will be.

Apart from our Social activities, we decided several years ago to hold sales of second-hand clothing. The entire proceeds from these Sales go to Church repairs and improvements. We depend on our parishioners to keep their used clothing, blankets, curtains, rugs, table-centres, table cloths etc., for us—we will be holding another sale later this year. During the past twelve months, £226 was raised in this manner, so please give all those clean unwanted garments to your own Parish Church. We can sell anything at all that is clean and in reasonably good condition.

In conclusion, I want to say many thanks to Mrs. I. Clarke and Mrs. J. Wilson for their valuable assistance in helping with the organising of the Club. As a team, we spend quite a lot of time each week looking after the interests of the Club and visiting our sick members.

We also thank our Rector, the Rev. T. E. Champion, for his interest in our Club, for his valuable advice on all matters relating to our work, and for much personal help.

### "OFF TO ADVENTURE"

After its first month on the air, four hundred persons wrote to the Church of England Television Society praising "Off To Adventure", seen at 4.55 p.m. each Tuesday and Wednesday on ATN Channel 7.

These letters came from parents, as well as from children of all ages and denominations, expressing their approval and telling which Bible Story they would like to see presented.

Please watch it if you're home. "Off To Adventure" combines Bible adventures, adventures in nature, and adventures in history, all of which present the Big Adventure of acknowledging the Lord Jesus Christ as Saviour.

Channel 7—Tuesdays and Wednesdays—4.55 p.m.

Other Church of England TV programmes include "Stop, Look and Listen" on ATN-7 on the first and third Sundays at 3.30 p.m., and a Feature Programme on the fourth Sunday of each month on TCN-9 at 4 p.m.

---

### STREET STALL

Mrs. Humphries will be conducting a Street Stall outside the Church Gates in aid of funds, on Saturday morning, 7th July. The Stall will be open for business from 9 a.m. to 12 noon, and Home-made Cakes and Jams will be among the items on sale.

### FUNDS AVAILABLE

With the knowledge and interest of the Standing Committee of the Diocese, a Building Society Group has been formed, to be known as the Broughton Co-operative Building Societies.

The chief aim is to provide finance to enable young married couples who attend their parish church to obtain suitable and cheap finance in order to buy their own home.

The Society is restricted to loans not exceeding £3,250, and to homes which are either about to be built or else have been recently built and not yet occupied.

The loan is repayable over 29 years at an interest rate similar to the current bank rate, and persons interested should apply to the Secretary of the Society, c/o Messrs Travis and Travis, Chartered Accountants, 12 Castlereagh Street, Sydney.

On behalf of the Directors,

H. M. ARROWSMITH

## NOVEMBER 17

Do you know what this date signifies? Have you got it set aside in your diary? If not, please note it right away, since it's the day (and night) of our Monster Parish Fete, of 1962. It's only four months away, and we trust that all organisations have their Fete plans well under way by now. The Parish Council has appointed a special committee to co-ordinate the arrangements.

Stalls already open for business include:

- Books, Toys, Stamps, and Art Jewellery, conducted by Mrs. Millarey, who has already a good collection in hand, but she can do with a lot more along these lines. Mrs. Millarey is able to sell some of her stocks throughout the year, and if you can help, just phone her at LM 1643.

- The Y.C.I. are again conducting the "White Elephant" Stall, and would be grateful to receive any goods that are of no further use to you, such as crockery, china, glassware, tools, kitchenware etc. Please let Mr. R. Atkinson or any member of the Y.C.I. know and we will collect from you.

- Old Gold from broken or unwanted jewellery is being sought by Mr. Arthur Cook, who can re-sell it now at top market prices in aid of Fete funds. Mr. Cook would also be glad of old clocks and watches which he can repair for re-sale at the Fete. But please help him by sending them along as soon as you can. Most of these "old-timers" take a few days to fix, and if given too late Mr. Cook wouldn't have the chance to have them ready for the Fete.

## NEWS BRIEFS

● **MRS. KERLE TO SPEAK:** Our newly formed Branch of the Mothers' Union has arranged for Mrs. Clive Kerle, wife of our Co-adjutor Bishop, to be their Guest Speaker on Wednesday, 4th July. All ladies of the Parish, whether or not they are in the Mothers' Union, will be welcome at this gathering, to be held in the Y.C.I. Club Room, commencing at 8 p.m.

● **"WITH HIS HELP":** This is the title of the movie selected for showing at our Social Hour after Evensong on Sunday, 22nd July. As usual, all parishioners are invited to stay for the film, and to partake of an enjoyable supper, which on this occasion will be kindly provided by the members of Young Marrieds' and Friends' Club.

● **A Civic Ceremony** will be held in Martin Place on Friday, 13th July, to mark "National Aborigines' Day, 1962". The Ceremony will last from 12.30 p.m. to 1.30 p.m. Eminent Public Men and Aborigines will make speeches. Aboriginal Artists, successful in the Talent Quests will play their part in the programme.

**CONSECRATION FESTIVAL:** All 'Saints' Church building was freed from debt early in 1903 and was consecrated on 15th August in that year. This important event is commemorated by Annual Consecration Festival Services and Tea. Will all Parishioners keep Sunday, 19th and Tuesday, 21st August, clear, so that they can attend each of these special events. The Rector has invited three Guest Preachers in the confident belief that you will be wholeheartedly behind him in the effort to make these functions worthy of the occasion.

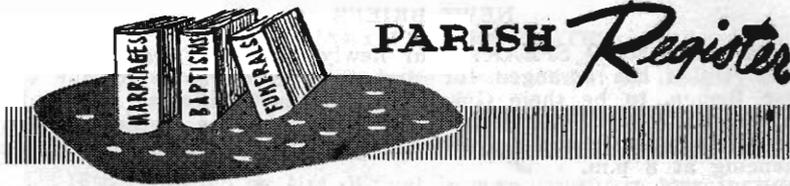

● **Officer of Works:** The Rector has announced the appointment of Mr. Arthur Cook as our Honorary Officer of Works. This is an innovation at All Saints' and the filling of this position will fill a long felt need. Amongst the most important of the work to be supervised by Mr. Cook will be the Columbarium, for which the approvals of the Archbishop and the local Council have been received.

● **Film Catalogue:** The Y.C.I. has secured a 415 page Catalogue of 16mm films lent out by the N.S.W. Film Council, and would be glad to make it available to other Parish societies. A night's programme of varied films can be hired from the Council for only 10/- and these have given the Y.C.I. a number of enjoyable nights in recent years. Enquiries for the catalogue to Len Calver or Alan Jones.

● **Bargain for Ladies:** St. Luke's Centre has been given a Silver Fox Fur Cape (as new) to sell in aid of their funds. The price asked for —£5— is most reasonable and enquiries may be directed to Mrs. Champion.

● A Bishop who preached at All Saints' one Sunday morning a few years ago was last month recognised as a Saint by the Synod of his former Diocese, North Queensland. The new Saint is the late Bishop Feetham; famous for his pioneering of the outback by foot and by horseback for over thirty years. The Bishop, who preached at our 11 a.m. Service, told some of our parishioners that the correct time for Morning Prayer should be 6 a.m., which is an interesting fact to recall when suggestions are made that the present hour of 11 a.m. is not convenient.

- Batteries need recharging;
- Clocks need re-winding;
- Fires need re-stoking;
- Cars need re-fuelling;
- Souls need strengthening—
