AUGUST 1990

REV. H. A. PALMER

The Rectory,
All Saints' Church,
Petersham, N.S.W.
11th July, 1990.

Dear Friends,

Recently I have been reading a book by John Stott entitled 'Only One Way'. I am finding it a very helpful book as it is a commentary on one of the epistles (that is letters) written by St. Paul, one included in the New Testament.

St. Paul was a very zealous Jew who was converted to christianity by God's direct intervention in his life. That story you can read in the Bible yourself.

St. Paul spent the rest of his life telling others how they too could find peace with their maker. It was a task made difficult by false teachers contradicting his teaching.

As in the days of St. Paul, so now, there are people who would lead us to believe God can be reached by all sorts of man made ways. Unfortunately the human heart can be so overcome with grief, and the mind so confused that any word of hope, or any way out becomes attractive.

It doesn't need to be logical, just available and presented as an attractive package.

The truth that God revealed to St. Paul is that there is but one way to God. That way is through faith in Jesus Christ.

Christ came to earth to identify himself with sinful men. He died upon the cross for us, taking the punishment of our rebellion against God. If in repentance we believe He died in our stead then we also can enjoy forgiveness and peace with God.

It is a simple truth and the only way to find God as the loving Father.

Yours sincerely,
Bruce Woolcott.
Rector.

GOVERNOR'S PRAYER BREAKFAST FOR THE SUSTAINANCE OF OUR NATION.

The first prayer breakfast of the Governor of NSW was held on Monday 9th April at the Sydney Convention Centre, Darling Harbour. More than 1,700 political, business and community leaders attended the function, chaired by Hon.s Neil Pickard and John Johnson. The Governor, Rear Admiral Sir David Martin, was pleased with the response and it is expected that a similar event will now be planned annually. The President's prayer breakfast in the U.S. attracts more than 5,000 leaders.
