About this time she became an ACW representative from Churches of Christ, also representing C of C at Life After Prison Ministry which later became Kairos voluntarily. Judith states that all she has done has been with the support of her husband, Arthur and being backed by praying people, with thanks to God.

For more than 10 years Judith has served on NSW State Unit Executive as C of C representative and has been the convener in NSW for Winifred Kiek Scholars.

Judith is a warm, friendly person who is very devoted to her role as Convener for NSW of the Winifred Kiek Scholars. She keeps in touch with the scholars, both recent and scholars from many years previously.

From her regular correspondence with the scholars Judith brings to our meetings news she receives from them as to what is happening in their lives now.
