10th August, 1928

The Right Rev. Archbishop Wright,  
SYDNEY, N.S.W.

Reverend Sir,

It is a great pleasure to comply with your letter of 1st August, and I now enclose a copy of the letter of Bishop Broughton referred to in mine of July 23. In that letter I mentioned being in communication with the Mitchell Library, and I have now been asked by them to send for inspection the letter referred to, with a view to its possible purchase. Accordingly it is being sent by same mail, and if you would care to call upon Mr Wright, the Mitchell Librarian, you could no doubt see the original. It came into my hands amongst a comprehensive collection made by Henry Wagner, the son of Rev. H.M. Wagner who offered Mr Broughton the curacy, and a grandson of Joshua Watson the high-church leader.

If it is not asking too much I should be grateful some time to have copies of your Bishop Broughton letters.

With thanks for your kind letter,

I am, Sir,

Sincerely yours,

A. A. Reed
