## Dear Readers,

There is something terribly sad when an organisation loses sight of why it exists. So often, over time, the original purpose for which the organisation was established is no longer in the minds of the members. Rather, they continue to meet and operate because that is what they have always done. There is a routine and a pattern and an annual programme that keeps everyone busy, but it's only for the purpose of keeping it going.

A church can be the same. Many churches exist and operate simply because they exist and operate. They follow a yearly calendar of events and services, but are really only going around in circles. And unfortunately the circles get smaller and smaller, forming a downward spiral.

It has been said:-

- \* If you plan to hit nothing, you generally do. And,
- \* A church that fails to plan, plans to fail.

We need to keep focussed. That is why we have a Vision statement which we are striving to fulfil. I don't want our church to plan to fail by failing to plan.

Our Vision for All Saints' Petersham is that we will be

"A community of disciples of Jesus Christ which is growing in christian maturity, and which is striving to have a positive impact for God's Kingdom."

Two important elements of this statement are, firstly, the inward aspect of our growth in christian maturity, and second, the outward aspect of reaching non-believers with the gospel message.

We need to set some goals and strategies for these two elements.

**1. Growth in christian maturity.**

This is the work of the Holy Spirit in the life of a believer, bringing the person to be more like Jesus. As a church, we are to work together to encourage each other to grow in this way. (See Ephesians 4: 11-16). How do we facilitate this?

- To be actively part of our church. Attend regularly so as to be fed from God's word, to minister to others, and be ministered to by others. Sermon series designed to teach, challenge and inspire us to growth.
- To be encouraged to read the Bible, and to pray - so as to grow in our relationship with the Lord.
- Small Groups are very important in helping christians grow. Our goal is to have at least 75% of our church members in TLC Groups by 1997. At the time of writing we have two groups operating, with two new groups to commence during April.
- Part of growing to maturity is growing in love for one another. We will encourage this through the TLC Groups, as well as by holding events which bring us together in a social setting. BBQs, Bush Dances, picnics etc are a great way of getting to know each other better.

This is a brief overview of the first element of our Vision. Next month I will explore some goals for the second, outreach, element of our Vision.

What about you? Are you on the path to Chirstian maturity? Are you growing in your relationship with Jesus? Remember, you can't do it on your own. You need to be part of your local church. As a glowing coal soon loses its heat when it is removed from the other embers, so too does a christian lose her/his glow when absent from fellowship with other christians.

The grace of the Lord Jesus Christ be with you,

Your brother in Christ  
Paul Watson.

## Parish News

### Positive Family Life:

During the Sundays of May we will be covering a series of sermons in the morning services focussing on Family Living. We have 1500 brochures which we will deliver to homes in the parish, inviting people to come and hear the message. On the 31 May, Mr. Tom Smith, the Director of the Anglican Youth Department will be preaching on Marriage. These services are designed to allow us to invite our non-christian friends or relatives along to the service.

### All Saints' 125 Years:

Next year is our 125th anniversary! We would like to have a special celebration in November 1995 to mark the occasion. It will need extensive advertising, and organising and preparation. The Parish Council is forming a sub-committee to begin the task. Do you have any photos, or other information that could be displayed during the festival? Please let us know.

### Small Groups:

WE are starting two new TLC Groups this month. The first is for young people (Late teens, 20s) and meets Sunday afternoons. It is led by Scott Dunlop, who is in first year at Moore College.

The second group is for people of riper years, held fortnightly on Wednesday mornings in the Hall. Transport is provided. This group is led by Diane Watson. Activities will include short Bible study, sharing, prayer, singing, games, morning tea. Commences 20 April.
