### **My Dear Friends,**

This month as we celebrate All Saints' Day we are reminded that the first church service was held in Petersham 132 years ago. Since the Church was formed 132 years ago, many changes have taken place, but there are certain important things which have not changed and will not change. May I list some of them for your encouragement as well as mine?

First, of course, the Lord Himself has not changed. We are reminded of His gracious words in Malachi 3:6 - "I, the Lord, do not change," and in Hebrews 13:8 - "Jesus Christ is the same yesterday and today and for ever."

Second, God's word has not changed, with all its promises and prophecies concerning the Lord's purposes and plans for His own children, for His ancient people, and for the world - right on into eternity. What an encouragement it is to read Numbers 23: 19 - "God is not a man, that He should lie, nor a Son of man, that He should change His mind. does He speak and then act? Does He promise and not fulfil?"

Third, the Gospel of Christ had not changed. It is still, as Romans 1:16 reminds us, "The Power of God for the salvation of everyone who believes".

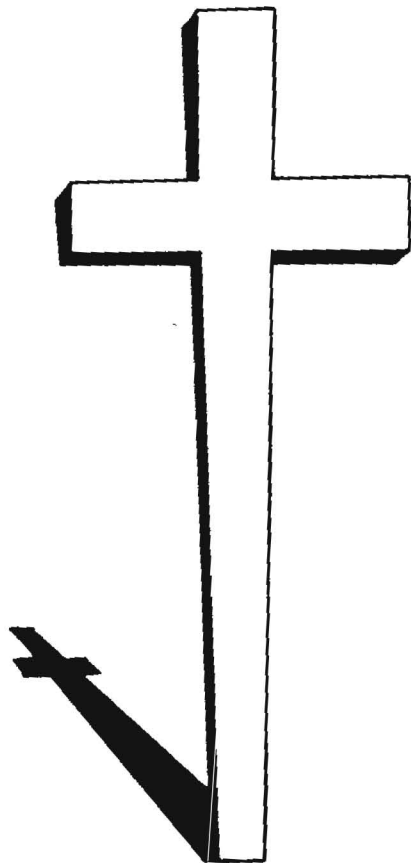

Fourth, the need of man has not changed. Men and women are still by nature lost, according to Luke 19:10; perishing, according to John 3:16; dead, according to Ephesians 3:1; and without God and without hope, according to Ephesians 2:12.

Fifth, the privilege and responsibility for the Lord's people to live a dedicated life and to be engaged in soul-winning service has not changed. We need to live in the Spirit of the Saviour's words in John 9:4 - "As long as it is day, we must do the work of Him who sent me. Night is coming, when no one can work".

In these troublesome times, when so much is changing around us, and when we may expect many more changes, let us hold fast to the things that do not and will not change.

**PRAYER FOR THE CHURCH.**

God our Father,  
You sent your Son to reveal to  
us your love,  
To guide us  
and to be the source of our life.

You have richly blessed our Church  
its work and witness,  
and we thank you for the trust  
you place in us.

With all Church members  
We pray for the guidance of  
your Spirit  
That we may know where you  
are leading us  
And how we may become truly  
one in Christ.

May your Church in Petersham  
clearly witness to the love and  
compassion of Jesus.

We pledge ourselves to work with  
generosity and courage to extend  
your kingdom of justice, love,  
and peace.

We ask this through Christ our Lord.

*Amen.*

The second commandment says, "Thou shalt not make to thyself any graven image not the likeness of anything that is in heaven above or in the earth beneath, or in the waters under the earth. Thou shalt not bow down to them or worship them."

Is God still the central object of our loyalty and adoration? It makes one think deeply.

## FUNERALS

We extend sincere Christian sympathy to all who have been recently bereaved. To all who mourn, we commend the words of our Lord:

## GIVE THEM NOW.

I would rather have a little rose  
From the garden of a friend,  
than to have the choicest flowers  
When my stay on earth must end.  
I would rather have the kind words  
And a smile that I can see,  
That flattery when my heart is still,  
And life has ceased to be.

-Author Unknown.

(Contributed by Irene Coates)

I would rather have a loving smile  
from friends I know are true,  
Than tears shed round my casket  
When I bid this world adieu.  
I want the flowers while I am here,  
Be they pink or white or red;  
I'd rather have one blossom now  
Than a truckload when I'm dead.

## **BONES**

One day while walking across a field I could see something white in the distance. I was fascinated and I wondered what it could be. When I walked up closer I could see that the white object was a huge pile of dry bones.

This set me thinking. I thought of the bones that the prophet Ezekiel saw. Those bones took on flesh and lived. They are a picture of spiritual revival. How we need revival in Australia today! There are so many dry bones in our Churches. In fact there are five levels of bones in our Churches:

1. **WISHBONES.** They do a lot of wishing and dreaming but never get around to doing anything.
2. **FUNNY BONES** These are very touchy and easily hurt --- they get the huff, are jealous and sensitive.
3. **JAW BONES** They talk and talk -- and talk, sometimes you wish they'd stop. They are full of their own ideas and their own importance and everyone else is always wrong; their way is always the right way.
4. **DRY BONES.** They are prim and proper and do everything correctly, but they are spiritually dead --- as dead as the Church door knob.
5. **BACK BONES.** These are the people who are the backbones of the Church. They are reliable. The Pastor or Missionary can always count on them for help.

??????? What sort of BONE are you ????????
