Dear Sir,

The Yorkshire

Wentworth Falls
Sydney.
Feb 14. 1908

In conversation with
Rev. J. H. Fraser of Wentworth Falls I
learned that you once lived at
New Witley, Leeds. It is of much
interest to me and my people the Scots
born there for generations the land
was his clay was care belongs to my
Grandfather.

We should be honoured to have you
as a member, our Yorkshire Soc. Our
next meeting is at Centenary Hall, near
Friday the 21st when Rev Geo Brown
will lecture on Pioneer Life in the Seas.
You will enjoy hearing again the deep
tones born of a Yorkshire ancestry.

I send you a booklet of the Society
of application form of membership.
We have now about 350 members.

Do you remember my brother
Walter Scott who was Curate of
Christ Church Meadow Lane Leeds
about 1887-8. He was President
of Durham & W.L. Union in 1886
I think that was the year.

You may remember Rev J G
Smith was Vicar of ^{Christ} Church at the
time his Successor has I see
just resigned & gone to Canada.

Yours sincerely
Canon V Jones
