

S. John's Rectory, New Town:  
Ipswich:

29<sup>th</sup> June 1896.

Dear Mr. Morris/

I certainly mean to take  
back to Gores, Dr., with  
me in Sep<sup>r</sup>, all the MSS. &c  
I borrowed from you &  
those in connection with  
my proposed Life of Dr. Bright.  
I may want to keep the  
printed matter for reference  
Robt. Morris M<sup>r</sup>

as I go on writing.  
I find that taking up,  
simultaneously, the  
work of the late Thackeray  
both in parish & private  
has taxed my time so  
severely that the accomplishment  
of my literary dream  
is still far off. I fear.  
I am sending you two

notices of motion for  
General Synod, which  
you will be good enough  
to pass on through the  
proper channel, if  
you have no official  
connection with Gen. Synod.

With kind regards,

Yr faithful

W. H. Whitinger

Robt. Arthur Wyre  
Registrar Div. of Synod.
