Dear Friends,

Here we are nearly at the end of another financial year. Getting out all those receipts that are needed to satisfy the Taxation Department. How will I fair this year?

It is a good time to consider what gains or losses we have had as a parish. I think we might say our great gain has been that the average age of our congregation has dropped remarkably. All Saints' is no longer a congregation of retirees. We have a wide mix of ages with varying skills and abilities.

There is an increasing involvement in the services by the congregation, old and young. No longer is the minister having to do it by himself. This is especially true of a Sunday evening where the fellowship can and at times do run the whole service with dignity and life.

There are things however of which we should be aware. Younger family groups who are now joining our congregation are not going to have the same time to give to church activities. For a start they probably both work and so their time is precious. The time spent in fellowship with other members must then be "quality time". Our services must be the best we can provide; there must be the greatest involvement possible; there must be input from outsiders as well as the rector; fresh ideas must be weighed up and if possible applied to our circumstances.

We equally need to beware that we don't ignore the older members of our congregation. I do not see that as a great problem at All Saints' for I believe we do care and try to involve our older as well as our

younger parishioners. Their needs and their concerns are met in our ministry. For this we can be thankful.

I believe we can look into the future with a certain confidence coupled with the need to be alert to what is happening in our midst.

Yours sincerely,  
Bruce Woolcott. (RECTOR)

WHITSUNDAY OR PENTECOST

ACTS 2: 1 - 4

"When the day of Pentecost had come, they were all together in one place. And suddenly a sound came from heaven like the rush of a mighty wind, and it filled all the house where they were sitting. And there appeared to them tongues of fire, distributed and resting on each one of them. And they were all filled with the Holy Spirit."

JOHN 3: 8.

"The wind blows where it wills, and you hear the sound of it, but you do not know whence it comes or whither it goes; so it is with everyone who is born of the Spirit."

The LORD JESUS likened the HOLY SPIRIT to the wind, and at PENTECOST when the HOLY SPIRIT was first given His coming was likened to the sound of a mighty rushing wind. The disciples on that day sensed God's presence with them. These men were disturbed.

The work of the HOLY SPIRIT is to disturb us.

The person who has consciously accepted JESUS CHRIST as their Saviour is also disturbed. The HOLY SPIRIT continues to disturb the christian. He is disturbed to change his mode of life. Disturbed about his lack of love for God, and for his neighbour. The HOLY SPIRIT

continues to disturb us and thus our life changes its character, and we become more Christ like.

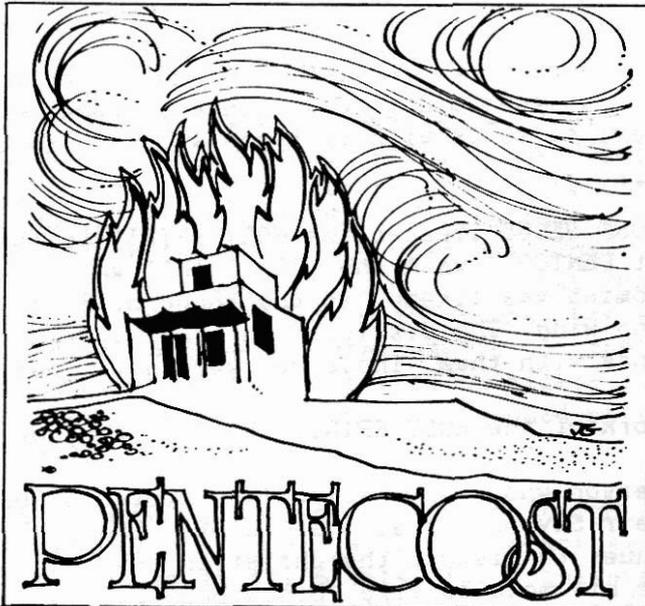

The HOLY SPIRIT not only disturbs, it also gives power. Power to effect changes in our attitude to God and to our neighbour.

For many years we have realised the wind had power. Wind was harnessed to drive windmills. The wind moved large ships across the world. The HOLY SPIRIT is likewise the power christians have to live a different life.

EVERY VIRTUE WE POSSES,  
AND EVERY VICTORY WON,  
AND EVERY THOUGHT OF HOLINESS  
ARE HIS ALONE.

WHITSUNDAY or PENTECOST reminds us that GOD THE HOLY SPIRIT is active to-day disturbing men, and encouraging them to follow after God.

GOD IS NOT DEAD.
