## NSW STATE UNIT INC.

Minutes – Council Meeting – Monday 20<sup>th</sup> August 2012

**WELCOME:** President Isabel Hewitt welcomed everyone, particularly Yvonne Coorey from Strathfield Branch and Elizabeth McEwen as a visitor. Council members were told of the death in South Australia of Dorothy Wright, and in Victoria of Rathi Salvaratnum.

**DEVOTIONS:** Isabel gave glimpses into the plight of the community of Tuvalu in the Pacific region living with the encroachment of the sea water onto their island home and the impact on their farming soil. These inhabitants will need to be relocated. The names of the 4 young women as potential Winfred Kiek Scholars, coming from this Pacific region with its amazing natural diversity were recalled. Psalm 24 reminds us that the world and all that is in it belong to the Lord. We were reminded to give thanks and to pray for the preservation of these communities, especially those affected by recent disasters; people who have learned to live in harmony with the environment; who live with a strong presence of the church and community. Those present were urged to pray for the rights of the indigenous people; for answers to political unrest; for the many challenges faced in this area. Vala Palu wrote a prayer requesting that God would provide extra paddles to bring us together. Isabel prayed committing the meeting to God.
