

AUSTRALIAN CHURCH WOMEN N.S.W. STATE UNIT
MINUTES of the COUNCIL MEETING HELD AT 222 Pitt Street, Sydney
on Monday, 19 April, 1993.

OPENING. The meeting opened with the singing of the A.C.W. song, "We, being many". Two Branch Presidents were welcomed to the meeting, Chatswood-Willoughby Janine Alves and Strathfield-Homebush Anne Burton.

THOSE PRESENT as recorded in the attendance sheets numbered 41 and there were 21 APOLOGIES. Special apologies were received from Dorothy Lumb, recovering in hospital from major surgery, Peg Blake, Shirley Wells and Doris Mitchell, who has been unwell, but has recovered.

SPECIAL VISITOR Malai our scholar for 1994 was introduced by Mina Whybourne. Mina reported on the arrival of Malai on Good Friday from Bangkok. Over the Easter week-end she was hosted by Mina and was introduced to some of the sights of Sydney. She attended Easter Saturday Mass at St. Patrick's Cathedral, Parramatta with President Phyl, who later entertained her and some of the Executive members at dinner; on Easter Monday she moved to the home of the family with whom she will be living while studying English in a two month course. We were delighted to meet this charming young lady and received her and the greeting she brought us from Thailand with great pleasure.

DEVOTIONS. President Phyl shared with the Council some of the readings she has been using for Executive devotions. From Marilyn Norquist's book "Thy Kingdom Come" she read the chapter 'Where is the Kingdom of God'. The disciples were always trying to find the answer to this question. They wanted to 'pin down' God's kingdom. Jesus didn't share this view. In Luke 17 v.21 we find the answer -- The Kingdom is within you. So we should look for ways of growing into the kingdom as Jesus showed it. The verse can be interpreted in different ways. The kingdom within us can be an inner condition. Our way of responding, a spiritual process - God reigns within our inner selves. The kingdom among you. The kingdom as we relate to others, we must live justly. The kingdom in our midst. It is already with us, as we accept the rule of Jesus in our lives, it comes with Him, we belong in the kingdom right now.

In a time of prayer, we remembered our unity through A.C.W. We gave thanks for the arrival of Malai and her visit to us today and for Mina's loving care for her and our other scholars. We remembered our sick members especially Dorothy Lumb in hospital, Shirley Wells recovering her strength and mobility at home and Peg Blake, waiting for relief through the operation that may not be until July.

PRESIDENT'S REPORT. President Phyl McKinnirey reported on functions she had attended for us since the last Council meeting. -- Pan Pacific and South East Asia Women's Association morning, the Governor's Prayer Breakfast, at which General Eva Burrows of the Salvation Army was the speaker, the Uniting Church's Mission Get together, Woman's Christian Temperance Union's President's Reception. Today she would attend the Luncheon given in honour of Miss Jean Arnot.

PROMOTION and PUBLICITY. Congratulations were extended to Elaine Secombe

and her team of Woy Woy ladies for the wonderful day they gave us in March for a Spiritual Enrichment Day there. Sixteen members of Council travelled by train to Woy Woy, where they were joined by other members who had come by car and by train from the north. Almost 60 people (yes, there were some men as well as women) enjoyed the fellowship provided and joined in the uplifting of the spirit which was the main purpose of the day. Thank you, Elaine for all the thoughtful touches that made the day memorable for us. Elaine's husband was willingly engaged in doing some extra photocopying, thank you!

Photos taken on the day, scored one for the history books. Present were a number of Past Presidents of the Unit and the President-elect, so Jeanne took advantage of this to get a photo of them all together. Thank you, to Margaret Jessup, our official photographer.

Members of the Inter-church group at Gosford took advantage of the gathering to propose to the Woy Woy people that a Central Coast Branch might be formed. We await confirmation of this idea.

The A.C.W. Poster has been laminated and was on display.

Elaine Secombe showed the ACW teatowel that a friend decorated by a variegated blue crochet surround. We recommend this idea to our members, what an attractive gift one would make for a speaker.

One of the heartening things we noticed at Woy Woy was the group of young women who attended and brought their (well-behaved) small children with them. They were very welcome.

NEWSETTE. The new issue is under production, will be in the mail soon.
