## AUDIO-VISUAL LIBRARY

- \* This is an interim catalogue of audio visuals held in our resource centre and available to churches, schools, groups or individuals through an annual membership scheme.
- \* A Membership fee will entitle members to a comprehensive catalogue as soon as it is available, and will also assist in the purchase of new audio visuals to add to the library each year. A financial member will be entitled to borrow audio visuals as often as desired, but not more than 3 at any one time, within that current year.
- \* At present, all the audio visuals listed are in filmstrip format, with a written script. Most of the filmstrips also have a cassette tape commentary, and a few have a reel tape commentary. Some of the recorded commentaries include audible and/or automatic signals to indicate frame changes. Details of these can be obtained when enquiring about individual audio visuals.
- \* Bookings may be made in advance. You are advised to first preview any audio visual borrowed in order to determine its suitability.
- \* The maximum borrowing period is 2 weeks, although one week is preferred.
- \* Personal collection and return of audio visuals is preferred. Postal charges, if necessary, will be charged to the borrower.
- \* Borrowers must agree to indemnify the Board of Education for any damage beyond fair wear and tear. If any of the recorded commentary is accidentally wiped, the borrower will be charged \$4.00 for a new pre-recorded tape.

- \* Borrowers must also agree to return the audio visuals on the return date specified when borrowing and, for each day such units are held beyond the due date, to pay a fee of \$1 unless special alternative arrangements are made with the Board of Education.
- \* Membership fee: \$5 per annum per group or individual  
Due: November 1st. each year (reminders will be sent)
- \* Membership application: an application form is enclosed. Prompt return of this will enable us to send you the comprehensive catalogue immediately it is available, and also to keep you informed of new additions to our library.
