TUESDAY, AUGUST 22ND, 1995.

BUSINESS SESSION 3

Welcome : The National President welcomed A. Dunn (Anglican Representative) and H. Christie-Johnston (National Council of Churches in Australia Representative) and Victorian day visitors to the Conference.

Denominational

Reports : It was moved M. Greenslade (SA), seconded D. Clack (Nat. Exec.) that all reports be received together Agreed

Australian Christian Women's Fellowship report was presented by M. Dredge. It was noted that the number 400 in the 3rd paragraph should read 4,000, and "THE 2000 WOMAN - BE THE VISION" National Gathering to be held in Adelaide in September, 1995, promised to be an inspiring event.

Mothers' Union in Australia was presented by A. Dunn who brought greetings from E. Appleby the National President. A. Dunn indicated that nine of the seventeen Presidents of Mothers' Union did not use the English language.

Salvation Army report was presented by I. MacIntyre who spoke of diversified programs which operate in Australia Southern and Australia Eastern Territories.

Australian Baptist women report was tabled.

Catholic Women's League report was presented by B. Bourhill who asked that the last four lines of the report be amended to read "On behalf of every member of the Catholic Women's League in Australia, we would like you to accept our very best wishes for a wonderful and fruitful Conference; one that will enable you to be challenged in your ongoing work, bringing the love of Jesus to all who make contact with you." Mrs Peg McEntee, Past President in N.S.W., and Mrs Verena Butler, President, Queensland, will be attending the conference in Beijing.

National Council of Churches in Australia - Report was presented by H. Christie-Johnston who spoke of the new national body which is a completely new Council of Churches. An event of special significance is "The Household of God" which will take place in Melbourne during January, 1996.

Girls' Brigade, Australia The report was tabled.  
Church Women United, Aotearoa/New Zealand. Mary Chisholm brought greetings from the National Committee of Church Women United in Aotearoa/New Zealand. The annual meeting of the Fellowship of the Least Coin is to be held in New Zealand in 1996.

The motion to accept the reports was carried.

NOTICES OF MOTION :

1. National Executive moves that the following alterations be made to the National Constitution -

Page 2 - Relationships  
5.2

At present reads : "Australian Church Women shall maintain relationships and dialogue with Australian Council of Churches and other ecumenical bodies".

BUSINESS SESSION 3 (continued)

Change to "Australian Church Women shall maintain relationships and dialogue with the National Council of Churches in Australia and other ecumenical bodies".

Reason for change : Because of change of name of that body.

It was moved M. Dodds (Nat.Exec.)

95/11

**THAT the change be accepted.**

Seconded J. Thomson (Incoming Exec.). After debate the motion was  
Carried

Typographical Corrections to the Constitution - the National President asked members to take note of typographical corrections

Page 3 - 6.1.1. (a) (v)

at present reads ; "Australian Christian Women"  
change to "Australian Church Women"

Page 4 - 6.1.5. (d)

at present reads : "In insufficient"  
change to "If insufficient"

2.

The New South Wales Unit moves :

95/12

**THAT the name AUSTRALIAN CHURCH WOMEN be changed to  
CHURCH WOMEN UNITED**

Rationale : The acronym "ACW" is the recognised title for another body, (Australian Council for Women), and currently there is confusion with this use of the acronym for our body also. (Australian Council for Women is more widely known than Australian Church Women, and is receiving attention and publicity in the media).

In New Zealand, Canada, the USA, the Philippines and other Asian countries, the name "Church Women United" is used. To take the same name as these countries would add to the strength of our movement. The name Church Women United is both a statement as well as a title, this would be more easily recognised by society generally and have credibility with the Church.

2b

In the event of the name Australian Church Women being changed, the subsequent motion will be submitted by National Executive:

**THAT the Constitution and Guidelines of Australian Church Women be changed accordingly.**

Following discussion by representatives of State Units, the motion was moved by L. King (NSW) and seconded J. Tong (NSW)

The motion was

Lost.

FOCUS SPOT

H. Reid of The Girls' Brigade spoke of her experiences as a leader in this group. Young girls aged 6 and over, up to their early twenties work to increase their leadership qualities. The Brigade celebrated its centenary in 1993.

BUSINESS SESSION 3 (continued)

NOTICES OF MOTION :

3. National Executive recommends :  
(a) **THAT National Executive of Australian Church Women be encouraged to appoint a person/persons who will be responsible for receiving such correspondence relating to social justice issues, and who will extract relevant information from the correspondence and propose appropriate actions;**

Rationale : Items of correspondence relating to social justice issues are received regularly by the National Executive of Australian Church Women. This material comes from Government, Non-Government organisations, Church and community sources, and is often in the form of a report on programmes or activities. It is often not possible to give appropriate attention to these issues. State and Territory Units of Australian Church Women may also receive similar mailings.

It was moved J. Stott (Nat.Exec.) and seconded M. Dodds (Nat.Sec.) that the motion be received.

- 95/13 Amendment : M. Greenslade (SA) moved, and D. Clack (Vic) seconded That after the words "responsible for receiving" the words "from the National Secretary" be added. Carried.  
**THAT National Executive of Australian Church Women be encouraged to appoint a person/persons who will be responsible for receiving from the National Secretary such correspondence relating to social justice issues, and who will extract relevant information from the correspondence and propose appropriate actions.**

The motion was put and Carried.

It was moved J. Stott (Nat.Exec.), seconded M. Welford (Vic)

- 95/14 (b) **THAT State and Territory Units of Australian Church Women be encouraged to follow similar actions in appointing a social justice contact person to fulfil the same function within their Unit.**

Motion carried.

BUSINESS SESSION 4

National Executive recommends :

- 95/15 **THAT the title "Australian Church Women Memorial Bursary Book" (Guidelines page 15) be now called Australian Church Women Bursary Book.**

Rationale : When the ACW Memorial Bursary Book came to the present National Executive, it was found that over the years names had been added of people who are still living and active in ACW. Therefore the word "Memorial" seems inappropriate.

It was moved D. Clack (Nat.Exec.) and seconded E. Sullivan (Incom. Nat.Exec.) that recommendation be accepted.

BUSINESS SESSION 4 (continued)

D. Haensel (Winifred Kiek Scholarship Trust) said that when the Memorial was first set up it was hoped that it would provide for another scholarship. Discussion took place regarding the suitability of having two books - A Memorial Book and an Appreciation Book.

Motion carried.

National Life Member's Roll. The National Executive recommends:

95/16 (a) **THAT a Roll be compiled of past and present National Life Members of ACW. This Roll to record a brief outline of the women so honoured and their contribution to ACW**

Moved E. Reidy (Nat.President) seconded L. Harris (SA)

Motion carried.

95/17 (b) **THAT this Roll be maintained by the National Minute Secretary**

Rationale : Some of the people named in the book are Life Members, so it seems their names and the contributions they have made to ACW would be more appropriately recorded separately.

Moved E. Reidy (Nat.President) seconded L. Green (Nat.Exec.)

Motion carried

Bursary Book Entries. The National Executive recommends:

95/18 **THAT Units be encouraged to record and submit entries for the ACW Bursary Book regarding women who pioneered Women's Inter-Church activities which later led to the formation of Australian Church Women.**

Rationale : There are women in all Units who have been very significant in the formation and development of ACW whose names and work have not been recorded.

Moved M. Wall (Nat.Exec.) seconded J. Cooper (Nat.Exec.)

E. Sullivan (Incom.Exec.) asked that the word "honouring" instead of the word "regarding" be used. The change of words was agreed to by the mover and seconder.

The President stated that the Units should present the names of those who had served faithfully over the years and had not as yet been recognised. The motion now reads -

**THAT Units be encouraged to record and submit entries for the ACW Bursary Book honouring women who pioneered Women's Inter-Church activities which later led to the formation of Australian Church Women.**

Motion carried.

The Queensland Unit recommends :

95/19 **THAT consideration be given to holding the Conference from Friday to Monday.**

Rationale : This enables younger women to participate. Working women will also find it easier to attend at a weekend. Air fares are cheaper when the weekend is included.

Moved M. Florence (Q) seconded M. Reeves (Q)

Motion lost.

BUSINESS SESSION 4 (continued)

A.C.W. Disaster Fund : This Fund was established by the 1991-93 National Executive in order to give donations in cases of disaster. The funding for this came from half of the offering received on World Community Day 1992. (Refer National Executive Minutes 31/3/92). National Executive has been in a difficult situation to know the will of A.C.W. regarding the money in the Fund as no explicit directions were given regarding dispersion, nor whether it was meant to be an ongoing Fund. So far, contributions of \$1,500. have been made to Rwanda through CARE AUSTRALIA, \$1,000. to the FARMHAND appeal (drought relief within Australia), and \$500. to the NATIONAL CHRISTIAN COUNCIL IN JAPAN, for earthquake relief. This leaves a balance of \$1,400. in the Disaster Fund.

National Executive submits the following options for consideration

OPTION 1 : That the Fund be discontinued, and the remaining money be distributed :

- a) To present disaster areas throughout the world as decided by National Conference.
- OR
- b) To areas of need in Asia, as nominated by A.C.W.C.
- OR
- c) To areas of need in Australia as decided by National Conference.

Preamble to Option 2 : If the Fund is to be ongoing, means of funding to be established. At the present time, half of the World Community day Offering is given to Asian Church Women's Conference as part of our commitment to them. The remaining half, funds a "Special Project" as selected by National Executive each year. This has provided support to a variety of projects over the years but could be replaced permanently by the ongoing Disaster Fund.

OPTION 2 : That the Fund be ongoing with money from half of the World Community Day Offering. Distribution to be

- a) To disaster areas throughout the world on the decision of National Executive, taking into consideration recommendations from State Units.
- OR
- b) To areas of need in Asia as nominated by ACWC and decided by National Executive.
- OR
- c) To areas of need in Australia on decision of National Executive taking into consideration recommendations by State Units.

95/20      Option 1 - D. Clack (Nat. Exec.) moved, L. Harris (SA) seconded  
**THAT the Disaster Fund be discontinued**      Motion carried.

OPTION 1 regarding the remaining money. Moved B. Farrell (AC) seconded O. Scott (ACT)  
**THAT the remaining money be given to Timil College in Rabaul**

After discussion it was agreed that the mover and seconder could withdraw the motion.

95/21      J. Stott (Nat. Exec.) moved, seconded J. Thomson (ACT)  
**THAT members of Australian Church Women's National Conference be given the opportunity to submit appropriate worthwhile causes to receive the remaining money from the A.C.W.'s Disaster Fund. Submissions to be received by 7.30 p.m. on the 23rd August.**  
Motion carried.

TUESDAY, AUGUST 22ND, 1995.

AWARENESS PRESENTATION

A presentation of slides by S.A. Unit depicted the long-term social and economic consequences of the use of Landmine Warfare, especially the long-term effect on children. Moved M. Greenslade (SA) seconded L. Harris (SA)

THAT this National Conference of Australian Church Women requests that the Senate -

- a) Ensure that Australian Government delegations to International forums promote and support an amendment to Article 6 of Protocol 11 to prohibit the use, development, production, stockpiling and transfer of landmines.

BUSINESS SESSION 6 (continued)

A.C.W.C. Delegation (cont'd)

Some of the aspects shared by five of the A.C.W.C. representatives (M. Napier was unable to attend the National Conference) included:

- Delegates saw a need for Australian representatives to be part of the Asian Church Women's Conference.
- The contribution made by Australian and New Zealand representatives was commented on, and differences in theological thinking were noted.

Mrs Janice Shearer, representative of Church Women United, Aotearoa/New Zealand to A.C.W.C. Janice spoke of New Zealand's involvement over the years with A.C.W.C. and A.C.W., and the importance of sharing with and acceptance of one another across the boundaries of race and creed.

Janice sees the continuing support of New Zealand and Australia for A.C.W.C. as very important, whilst at the same time there is a need to foster relationships with Pacific nations.

Mrs Joan Stott (South Pacific Area President of the World Federation of Methodist Women). J. Stott spoke of the vibrant Christian faith alive in the Pacific nations, their love and commitment to World Day of Prayer, and to Fellowship of The Least Coin, wherein they, even in poverty, can participate. November 21 is a Pacific Day of Prayer for women and girls. Sects and para churches are also represented in the Pacific region.

During question time, E. Sullivan (Incom.Nat.Exec.) said that tonight had been a learning curve, and a forum on A.C.W.C. had been long overdue. Other points made included : we need them as much as they need us ... The Pacific Island nations can tell much of love and prayer ... We share the same Lord ... New Zealand had tried to include Pacific women in their activities, but at the moment, they appear to be finding and building themselves as Christian women .... Progress has been made with women of Asia, we should progress with them at their pace. When asked of the relationship between Papua New Guinea, Solomon Islands and Indonesia, J. Scott replied that she had not inquired, and had been careful not to ask sensitive political questions.

Acknowledgement was made of ....

J. Stott ... Nominee as President of World Federation of Methodist Women

BIBLE STUDY 3

Rev. Manton reminded us of our discussion on Jesus made Flesh.

These included - \* The request of Jesus for a drink.

- \* Humility of God in sharing
- \* God comes to us in people who are thirsty
- \* Martha - "Where were You when we needed You?"
- \* Jesus to Mary "Leave her alone", she was ministering to the Word made Flesh.
- \* Jesus to Father, "I need Your love". Do we ask Jesus how He feels about His body, the Church ?

Women

- \* Martha - first move of our faith beyond the Jewish tradition
- \* Martha and Peter - recognition of Jesus as the Christ.
- \* Mary grasped the idea of true discipleship, serving by washing His feet.

Rev. Manton read poems from a book titled "All Desires Known" by Janet Morley, and the groups reflected on the story of Mary Magdalene.

He knows me. Can I say I have seen the Lord ?  
Jesus asked "Woman, why are you weeping?" Take our tears seriously, Resurrection does not erase our suffering but transforms it. We are released into life and ministry.

Jesus called Mary by name.

- Mary recognises the voice of the Good Shepherd.
- "Do not cling to Me, because I have not yet ascended to the Father".  
Mary now has to relate to Him in a new way.

Resurrection is in the unknown new. The risen Jesus' request.-  
GO AND TELL MY BROTHERS.

BUSINESS SESSION 7

Aboriginal Consultation Presentation

The National President, E. Reidy, introduced Anne Pattel-Gray (Exec. Secretary Aboriginal and Islander Commission of the National Council of Churches in Australia). E. Reidy spoke of decisions made at previous conferences to offer assistance to Aboriginal Women in setting up a Consultation whereby we stand beside, listen to and support our Aboriginal women moving towards a closer working relationship with them.

Anne Pattel-Gray thanked Australian Church women for inviting her to attend this Conference. She spoke - of the vision of Indigenous and non-Indigenous women working together - of Aboriginal view of the sacredness of Aboriginal women. Aboriginal women are the teachers and the backbone of their society, but there is never any money to support the work among women.

Anne Pattel-Gray asked "Can you walk with us? Can you reach out to us ?  
Reconciliation is not possible without justice. The proposed First National Ecumenical Aboriginal Christian Women's Conference to be held in Sydney from the 2-10th December, 1995, should be the beginning of the process for Reconciliation.

During question time, H. Christie-Johnston (NCCA) asked "Could Australian Church women develop a covenanting process?"

FOCUS SPOT

Mrs Athalie Ford (SA) spoke of the influence of her grandmother, Winifred Kiek, as mentor and yardstick. Winifred was a very gentle woman who loved games, jokes, and was most creative making puppets, dolls. Athalie found her to be a very forward thinking woman, and when asked 'what would Winifred be saying to us today?', the reply was that Winifred would expect us to be loving, gentle and kind.

Discussion

Groups :

2. Does Australian Church Women need Asian Church Women's Conference ?
3. How do you see Australian Church Women's relationship with Asian Church Women's Conference being structured in future.
4. Should we be seeking ways in which to foster closer ties with Papua New-Guinea and/or Pacific nations ?

Reporting back, there was a general consensus that Australian Church Women and Asian Church Women's Conference need each other. Present relationships appear to be working well, but there was a need to be open to new ways of contact and dialogue.

It was agreed that it would be helpful to encourage relationships with Pacific nations, but this needed to be done carefully.
