My dear Mrs Jones

Her Grace the Archbishop
of Sydney.

Dear Dr Wright,

As Moderator of the Pres-
byterian Church of Australia in New South
Wales, accept on my own behalf and that
of the Church which I have the honor to
represent our sincere sympathy with you
and the Anglican Church in the loss
sustained by the death of so faithful a
servant of Christ as the late Canon Jones.

I regret I was not present at the
Funeral Services, but I am pleased that
in the Rev. Dr. Harper of St. Andrew's College
our Church was represented.

May our Heavenly Father Comfort and
console all upon whose this bereavement
has specially fallen, and raise up worthy
successors of those taken home.

In my Moderatorial address on the
9th inst. I publicly expressed the sympathy
of the Presbyterian Church in U. S. W with
the Anglican Church in the loss which the
