Index to the Henry Crabb Robinson Letters in Dr. Williams's  
Library, being a supplement to the index in Edith Morley's  
*Henry Crabb Robinson on books and their writers*

### Introduction

The correspondence, diaries and memoirs of Henry Crabb Robinson, as is well known, form part of the Dr. Williams's Library collection of manuscripts. In 1938 Professor Edith Morley printed a valuable index to as much of the correspondence as concerned her purpose in writing *Henry Crabb Robinson on books and their writers*, 3 vols, Dent, 1938. It may not be realised by readers of that work that letters are preserved of many others with whom Crabb Robinson corresponded whose names do not appear in Miss Morley's index. Regarded as an index of the correspondence as a whole it is incomplete.

The purpose of the present index is to make good the omissions. It would have been attractive to print a complete index, but reasons of economy ruled that the present index should be a supplement to Professor Morley's, designed to include all that she excluded. Anyone wishing to consult a complete index must therefore go to the small extra trouble of consulting both Professor Morley's index and this supplement.

The index itself follows the general plan laid down in Miss Morley's work. Each letter is indicated by the year, followed by the serial number of the letter in the volume covering that year or by the location mark of the "bundle" in which it will be found.

The vast majority of letters are those received by Robinson from the correspondents under whose names they appear. Where this is not the case the necessary information is given before the year date in round brackets, as follows:—

- (1) (from H.C.R.) = a letter (or copy of a letter) from Robinson to the correspondent under whose name it appears.
- (2) (to M.N.) = a letter from the correspondent named to M.N.
- (3) (from M.N.) = a letter from M.N. to the correspondent named.

Because of the large number of letters involved in close sequence over a number of years, correspondence with Crabb Robinson's own family is not entered in detail, nor are details given in the case of some other very frequent correspondents, but the names appear in the index and the space of years over which the frequent correspondence took place is given.

Full details may be consulted in the index kept at the Library. Letters to Thomas Robinson, not from his brother, but from other correspondents are entered under those correspondents in round brackets thus (to T.R.).

Some corrections and additions to Professor Morley's index have been included in this supplement, especially where cross-references have been omitted in the earlier work. Some names of correspondents will therefore be found both in her index and in this supplement. References to Miss Morley's *Henry Crabb Robinson on books and their writers* are made under the abbreviation M:BW.

## DR. WILLIAMS'S LIBRARY

14, GORDON SQUARE, LONDON, W.C.1

## PUBLICATIONS ON SALE

## DR. WILLIAMS'S LIBRARY CATALOGUE OF ACCESSIONS, 1900-1950.

Price £2 5s. od. (cloth), £1 17s. 6d. (boards).

The *Catalogue of Accessions*, 1900-1950, a volume of 920 pages, contains entries for over 25,000 works published during the first half of the twentieth century that have been added to the Library. It also contains in a separate list publications taken in the Library, with details of the separate items in each series, usually from the commencement (even if before 1900); these serial works are also indexed in the main catalogue.

## BULLETIN OF DR. WILLIAMS'S LIBRARY. Published annually, Price 1s. od.

The *Bulletin* contains, in addition to general information and news, a list of additions to the Library during the previous year. Additions to the Library since the closing date of the *Catalogue of Accessions* are listed in Bulletins 1952 onwards.

Sets from 1952 to date are available. Price 3s. 6d.

## OCCASIONAL PAPERS.

2. A. G. Matthews' *Walker Revised*—Supplementary index of "Intruders" and others. Compiled by Charles E. Surnam, 1956. Printed, Price 3s. 9d.

Those who have used Mr. Matthews' *Walker Revised* will have felt the need of an Index to show what additional information is contained in it about ministers listed in *Calamy Revised*, and also about the "Intruders" into livings during the Interregnum who were not later among those ejected.

3. Thomas Jollie's Papers: a list of the papers in Dr. Williams's Library Manuscript No. 12.78. *o.p.*

A list of papers and letters collected by Thomas Jollie in the latter half of the seventeenth century. Recently acquired by the Library and little, if at all, used by historians, they throw considerable light on Nonconformity of the time.

4. Amyraldus: a list of the works by Moïse Amyraut in Dr. Williams's Library. 1957. Duplicated, Price 2s. od.

5. Notes on the Bibliography of Early Nonconformity in Dr. Williams's Library. 1957. Puplicated, Price 2s. od.

By the generosity of the Pilgrim Trust and Hibbert Trust, a complete recataloguing was undertaken of works on Nonconformity before 1800 in the Library. The resulting catalogue, approximating to a bibliography of the subject, is housed at the Library. This *Occasional Paper* describes the catalogue, with notes on its use.

OCCASIONAL PAPERS (*continued*).

6. "An Essay of Accommodation," being a scheme for uniting Presbyterians and Congregationals, drawn up in c. 1680. 1957. Price 3s. 9d.

This *Occasional Paper* prints in parallel columns (a) a hitherto unprinted and little known document of c. 1680 and (b) the closely related *Heads of Agreement*, first published in 1691 and frequently reprinted since. Notes and an introduction are added.

7. Dallaeus: a list of the works of Jean Daillé in Dr. Williams's Library. Duplicated. Price 2s. od.

8. The Baxter Treatises: a catalogue of the Richard Baxter Papers (other than the Letters) in Dr. Williams's Library. Price 2s. od.

Several hundred of these papers surviving from Baxter's day are bound haphazard in a number of volumes and for that reason are difficult for the research worker to use. By listing the papers, as far as possible in date order, with an index, the present catalogue aims at supplying an intelligible key. It also extends and supersedes Occasional Paper No. 1.

9. An earlier version of the "Essay of Accommodation." Duplicated, Price 2s. od.
