1) The meeting agreed that it would be helpful if A.C.W. made available to State Units sufficient copies of reports such as that of the Asian Church Women's Conference for them to circulate in each state, as well as sending to Federal Denominational Women's Groups.

2) The Committee decided to write to the State W.I.C.C.'s and ask that when elections take place, they should suggest to the denominational groups that where possible Office-Bearers of their groups, especially President and/or Secretary, should be among their members elected to the State W.I.C.C.

3) The Secretary was asked to write to State W.I.C.C.'s enquiring if they would like to order copy/copies of the Tape-recording of the talk of Mrs. Shanti Solomon, at the cost of \$ 1 each. Mrs. Anderson offered to make the numbers of copies required. The Secretary to write to Mrs. Badger to ask for the loan of the tape. Mrs. Ralph had written to Miss Ritchie that the text of Mrs. Solomon's talk would be printed in the Methodist Home Mission League Paper, and asked if the A.C.W. would be interested in having extra copies run off while the type was set. It was decided to ask Mrs. Ralph to order 1,000 copies, and W.I.C.C. groups would be notified that these were available and be asked to send them out with World Community Day Order of Service Sheets.

(c) The Committee noted with interest that the Y.W.C.A. The Secretary was instructed to write to the National Y.W.C.A. and express our interest, and ask in what ways we might co-operate.

(d) Bible Study. Following the suggestion of Mrs. Wyllie, the Secretary was asked to write to Rev. Rex Davis, and

ask if he would consent to write up the Bible Study he led at the National Committee Meeting, and let the Working Committee have a copy, with the possibility of making it available to W.I.C.C.'s later.

- (f) Worship Services. The Secretary was asked to write to the A.C.C. to enquire how many copies of the order of service were printed last year for Fellowship Day, and to obtain from them a quotation for Offset Printing of these. Miss Ritchie undertook to obtain a quotation from a printer in Melbourne. The necessary action was then to be taken by the Office-Bearers and Col. Saunders.
- The Secretary was instructed to write to the Australian Federation of Methodist Women, inviting them to prepare the Service for the World Community Day 1967, on the Subject "World Community through the United Nations", noting that the project would be "Vietnam, to assist Inter-Church Aid Team Work already in operation".
