John H. H.

My dear Canon Jones

"Say ye to the neighbors"

"It is well"

This is his word & it is good —  
I had not reminded you of this for  
its truth & wisdom are well known  
— The "coming out of the rock" is not  
foreign or a strange thing to you —

My dear wife & I deeply sympathize  
with you in the present serious illness  
— In twenty years it has been a battle  
with Scabrous & it is really wonderful

What has been accomplished through  
your hands during that time  
Our prayer is that the Lord may  
put back the 'Sun dial' for a little  
longer & give your family & all the  
blessings of your presence

May we ask your very  
kind acceptance of enclosed ten  
Guineas toward the many incidental  
expenses of sickness

With our united love to Mr. & Mrs.  
Hymers - & their sympathies  
believe me

Yours sincerely

Edw. Griffiths
