Website – very little input, just removal of out-dated information from NSW.

Newsletter – no report

Special Days – no report – alterations sent and amendments to formatting of Community Day service, but nothing received as yet. Anne to write to Fran enquiring about it. Also to ask if Qld is doing the Fellowship Day Service next year, as they will need to choose a theme and have it done before the National Conference.

Essay Competition – awaiting more applications. Reminders have been sent to those schools who have expressed their interest in the competition.

Archives

We need to decide what we want for the archives as we prepare to hand over to the next National Executive. All copies of orders of service, President's Circulars, minutes, Department information. Also an electronic copy of everything. We need to keep only correspondence that tells the story of ACW.

Question – one copy or two of each item? Ask NSW for their recommendation. Donna will keep updating our electronic records with current and upcoming data storage systems. This will be discussed at National Conference – need a paper updating National Archivist guidelines presented at National Conference.

Motion for National Conference: *That National Executive accepts the amended guidelines for keeping ACW national archives, and recommends Major Donna Bryan for the position of National Archivist.* Moved: Elaine, Seconded Anne

Any Other Business – none.
