## Introduction

This list gives a brief overview of material held in the Samuel Marsden Archives which was not included in the *General guide to the collections in the Samuel Marsden Archives at Moore Theological College* compiled by Matthew Platt and Kathleen Verdich in 1987. It is not yet a thorough list as the provenance, date ranges and other details of much of the material is unclear.

Access restrictions apply to some of the material (the Moore College collection in particular). Permission to use any of the material in the archives may be sought by contacting the Special Collections Librarian, Erin Mollenhauer: [erin.mollenhauer@moore.edu.au](mailto:erin.mollenhauer@moore.edu.au) or (02) 9577 9891.
