St. Michael's House

Dear Friends of S.S.M.,

This annual statement and reminder of our financial needs comes to you just before Michaelmas. Michaelmas, September 29, is our Society festival and a time when we ask our friends to have us and our work in their special remembrance. We have much to be thankful for: but nothing so much as the constant support we receive through the prayers of our increasing number of supporters.

St. Michael's House is fuller than it has ever been and this means, of course, an increasing demand financially. It is now nearly sixteen years since we first began here and they have been years of increasing opportunity of service. We are very conscious of the fact that without the support so willingly and generously given by parishes and individuals throughout Australia—and indeed, beyond—we could never have done what we have been able to do.

The end of 1962 will see the beginning of a larger flow of ordinands from the House, and we trust that this will continue in the years that lie ahead. The establishment of the Qualifying Entrance Course at the beginning of 1961 is proving to have filled a need, but it has also added to our financial responsibilities.

In presenting this annual statement we ask if you will be so good as to continue to give us the generous support you have given us in the past and so help us not only to maintain the work but also to increase it as opportunity occurs.

We are also most grateful for the constant flow of gifts in kind and I am glad to have this opportunity of expressing our thanks for help given in this way.

Our annual Guest Day will be on the last Saturday in November, as it always is. This year it is November 24, and we hope that as many as possible of our friends will be here.

Yours very sincerely,

*D. N. A. Henry S.M.*

Provincial.
