THE RECTOR'S LETTER

My Dear Friends,

By the time you receive this letter a most important Festival will have passed, that of Whitsunday. On this day the Church celebrates her birthday, after Our Lord's Ascension the Disciples were instructed to wait for the coming of the Holy Ghost. After ten days of waiting the Disciples being assembled received the Holy Spirit. Whereas they had been filled with fear, unable to do anything they now were filled with power to proclaim the message of the Lord Jesus Christ boldly before men. The remarkable results that followed their proclamation of the Gospel of their risen Lord, added to the Church a large number of new converts. Just as Our Lord and Master had by Baptism received power to face his ministry among men, and later the agony of the Cross, for we are told in the New Testament that the Spirit descended like a dove and anointed Jesus. So the Disciples received Power from on High, to perform their work to which they had been called. It is often forgotten that without this day there would have been no Church. It ranks with the great festivals of Christmas and Easter, and should be observed as such. The Church of God in this land needs a modern Pentecost. Many have been converted, the Disciples were. They had followed their Master, they had now proof that He was risen from the dead. Yes they believed, but they yet had another experience to pass through, that of the coming of the Holy Ghost, the Comforter. We receive the gift of the Spirit at Baptism, but we need another blessing, the blessing as received by the Apostles at Pentecost, the blessing that brought power to the early Church. It is a blessing to be asked for and experienced by Christians still. We must receive it by the definite act of appropriating faith, just as the Disciples received Jesus. It is then that the Church will be filled with the Holy Ghost. The Church has made the fatal mistake that Pentecost was a miracle never to be repeated, God says, "It shall come to pass—I will pour." That was His promise through the prophet Joel, the first fulfilment was on the day of Pentecost. There is nothing in the New Testament to suggest that it was to be the one and only fulfilment of His promise. On the contrary we find the outpouring of the Holy Spirit at Samaria, Ephesus, and on the Gentiles, and later in the history of the Church we find special outpourings of the Holy Spirit leading to the advancement of the Kingdom of God.

You will notice that this great event came after the Disciples had waited upon God. "These all continued with one accord in prayer and supplication." One thing we need above all others today my friends is united prayer, the appointed means of bringing down the Holy Spirit. The neglect of prayer proves that there is a large amount of practical infidelity. If we believe in a personal God, real, existing then we should come to Him and ask for what we want. We do not ask because we do not believe or expect to receive. Will you, my friend, join us on Wednesdays for prayer, for that meeting for prayer is the powerhouse of the Church. God grant that this Church of All Saints' may be a place where the power of the Holy Spirit is ever present and that men and women, boys and girls, may meet their Saviour.

On June 11th, at the House of the Epiphany, the lectern given by our Women's Guild in memory of Miss Adams will be dedicated by His Grace the Archbishop at 3 p.m. It is hoped that All Saints' will be well represented.

We have now purchased a power mower at a cost of £90/12/6. A friend very kindly loaned us the amount so that our General Funds would not suffer at this time. The Churchwardens desire that this money should be repaid at the earliest opportunity and I know that all our friends in the

parish will rally and see that the debt is wiped out speedily. So far we have approximately £20 in hand. Already the grounds have much improved and I hope that we will be able to enter them in the Diocesan Garden and Church Grounds Competition.

The Fellowship is working hard on its Revue, this year it is to be called the Fellowship Follies of 1955. It will be held on the 12th July at 8 p.m. Do keep the date free and tell your friends about it.

With best wishes,
Your sincere friend and Rector,
RONALD A. JOHNSON.

Y.C.I.

The 174th issue of our "Manuscript Journal" was well up to Y.C.I. standard, and great interest as well as amusement, was created by the various articles included in the issue. On the 13th May we had Club Room Games at the conclusion of our Business Meeting. At the second meeting in May, Vice-president, M. A. Buckley, gave a "Talk" dealing with his experiences in the legal world. The "Talk" was greatly appreciated by the large number of members who attended. Coming fixtures include a Documentary Film Night at the meeting set down for Friday, 10th June. It will be held in the Y.C.I. Club Room, and will be preceded by a short Business Meeting, which will commence at 8 p.m. The meeting on Friday, 24th June will be President's Night, and we look forward to an interesting "Talk" by our President, the Rev. R. A. Johnson, Th.L. The Y.C.I., which is the Men's Club of the Parish, meets in the Y.C.I. Club Room on alternate Friday nights for Business Meetings, and all men of the Parish are invited to come along. Copies of the Syllabus will be gladly supplied by the Rector or any of the Church officers.

THE PROBLEM OF SOCIETY

The heart of any social problem lies in the heart of individual men and women. New social structures and systems, new laws, can never solve the problem, so long as the heart of man remains selfish. Only when men, one by one, pass over by conversion from self-centredness to God-centredness can we achieve a social structure which will be acceptable to all classes, all nations, and all races.

—CHARLES F. WINSTON.

THE MAKING OF A HOME

Anyone can build an altar; it requires a God to provide the flame. Anyone can build a house; we need the Lord for the creation of a home . . . The New Testament does not say very much about homes; it says a great deal about the things that make them. It speaks about life and love and joy and peace and rest! If we get a house and put these into it, we shall have secured a home.

—John Henry Jowett.

A THOUGHT FOR THE MONTH

by Canon I. Renshaw

Ordered to bow and scrape to that colossal golden image which the king had set up, how could those three gallant young Hebrews have the courage and daring to defy the king, and the threat of his burning fiery furnace unless, aforesaid, and many a time, they had passed through some testing ordeal, and by that testing had been made strong and courageous?

They accepted the fact—did these three brave lads—that life would bring its varying fiery furnaces, and their testing experience had given them that faith that God would be with them, even in the midst of the fire. And He was. "Lo," cried the king, "I see four men loose, walking in the midst of the fire, and they have no hurt; and the form of the fourth is like unto the Son of God."

There, just there, is the truly religious man's confidence, not that God will necessarily get him out, but that whatever comes, God will see him through.

"Say a prayer for me when I go through that wood," said a somewhat sensitive highly-strung boy of fourteen to his aged relative with whom he had been spending the evening. The wood was a quarter of a mile long midway on his three-mile journey home. And it was night. And there had been one or two nasty incidents in that wood when it was dark. "Of course, I'll say a prayer for you," said the boy's relative. "And I will do more than that. I will come with you and see you through."

And he did.

God did not save those three gallant young Hebrews from the fire, but He did see them safely through the fire—an infinitely bigger and better thing.

And God can do even more, as this story plainly shows. He can give us as we pass through the fire the experience of a fellowship supremely sufficient, a fellowship of one not only "like unto the Son of God," but the companionship of the Son of God Himself Who, for our encouragement, distinctly said, "Be not anxious for the morrow."
