## AUSTRALIAN CHURCH WOMEN

World Community Day 1998

*Unity In Diversity*

*John 17:21 "I pray that they may all be one."*

### **Australian Church Women**

ACW came into being in 1965 when Women's Inter-Church Councils from all States and Territories came together to form Australian Church Women, fostering ecumenism and undertaking action on behalf of Church women. Australian Church Women forms a network of committed Christian women, dedicated to encourage fellowship and service across denominational, national and international boundaries.

### **Fellowship of the Least Coin**

Monies which have been collected with prayer for peace and reconciliation during the past year are brought to World Community Day services by groups and individuals and are dedicated. These funds are then sent to State/Territory Treasurers who forward them to the National Treasurer.

**General Offertory** from this service is to be divided equally between Asian Church Women's Conference, with which Australian Church Women is affiliated and supports annually; and the 1998 Special Community Day Project -

Korea Church Women United - Counselling Center for Migrant Women Workers is aimed at protecting human rights of foreign women working in Korea, especially the large community of Korean-Chinese women. We see this as a way to do the will of Jesus Christ and show love to our neighbor. All people are God's children regardless of nationalities and races and we should take care of the wanderers and the isolated.

**Today's Order of Service** was prepared by the Tasmanian Unit of Australian Church Women.

**The Cover design** is by Mrs Juanita Miller.

**PLEASE NOTE:** This Order of Service is copyright and may not be rewritten or otherwise altered, except for the substitution of hymns that are considered to be more suitable and available in the local situation.

**ADDRESS:**

**Dedication of Fellowship of the Least Coin.**

*To be lead by F.L.C. Convenor.*

Recognising that lack of harmony among Christians is bearing false witness against the Spirit of Christ, Paul in his letters offered some practical hints:

- Remember your chief goal is to pursue community, so let there be diversity on less important matters.
- Absorb the hurts of weaker persons rather than break fellowship.

- Carry out your own traditions in such a way that other people, for whom your heritage has no meaning, may approach God in their own manner.
- Let the warmth of your celebration together, of the Christian experience, be reflected in your relationships with others.

Those who have F.L.C. gifts, come forward and make their individual offering and then remain standing together for prayer of dedication.

**PRAYER OF F.L.C.**

All            **O Loving Creator we present ourselves in your  
Divine Presence to thank you for all the bountiful  
gifts of life. We are especially grateful for the  
Fellowship of the Least Coin which binds us  
together in love and forgiveness around the globe.  
Free us from all doubts and prejudices, we pray.  
Inspire us to live in solidarity with humankind that  
we may know the joy of giving and receiving.**

**Dear God, accept this least coin 'Token of Love'.  
Make us mindful of the miracles of these coins. Let  
us honour your creation with love, as shown  
through the life and resurrection of your Son, Jesus  
the Christ.**

**AMEN**

HYMN        **Trust and Obey**  
                 **A.H.B. 531**

Benediction

The Fellowship of the Least Coin was founded in 1956 by an Indian woman; Shanti Solomon, during a goodwill mission to East Asian countries by an International team of women.

The Fellowship of the Least Coin is a movement of prayer. Women around the world commit themselves to living a reconciled and forgiving life with others. They pray for reconciliation, justice and peace and as a symbol of their commitment set aside a least coin (5 cents) at the time of prayer. These least coins are collected once a year from over 80 countries of the world and are distributed in the form of grants, known as "Gifts of Love".

"Gifts of love" are sent all over the world including Australia.

You are invited to participate with  
Christian women in every continent in the Fellowship of  
the Least Coin.

**Korea Church Women United - "Counselling Centre for Migrant Women Workers" is as follows -**

Korea Church women United along with Korean National Council of Churches proclaimed the year of 1995 as the Jubilee year and opened the place of repentance and reconciliation. We are determined to live with the spirit of the Jubilee, which lets the oppressed, the prisoners have the Jubilation of freedom and proclaims emancipation from every kind of discrimination against races, women and nations.

On the basis of this spirit of Jubilee, KCWU decided in 1995 to begin to do missionary work with foreign women workers who are isolated from the Korean society . Since 1988 there have been about 100,000 foreign workers with "dream of a better life in Korea" flowing into Korea's small and medium sized companies, service business, and crude working sites. They have been suffering a lot of hardship such as low wages, long-time work, abuses, diseases and lack of communication. Although over six years have passed Korea is not ready to accept these people both socially and systematically, which has caused a variety of social and human rights problems.

KCWU has tried to share these problems with great interest and affection and has started a "Counselling Center for Foreign Women Workers". We hope this can become a practical place where church women and foreign workers can work toward new heaven and new earth.

## **PURPOSE**

---

KCWU is aimed at protecting human rights of foreign women working in Korea, especially the large community of Korean-Chinese women. We see this as a way to do the will of Jesus Christ and show love to our neighbor. All people are God's children regardless of nationalities and races and we should take care of the wanderers and the isolated.
