John C. O'Connell Esq
Bathurst Street W.
23^d June 1897.

Dear Sir,

I shall be glad to
know, as early as possible,
when you propose to take up
your residence at Moore College.

The Widow of the late Principal
is at present in the Principal's
house, and is anxious to
know when she will be required
to give it up.

A Gentleman named
Carruthers had some correspondence
with the late Principal and
since the Principal's death has

written to me. He is desirous
of entering the College next Term,
and I have informed him of
your appointment and referred
him to you.

I presume that you have
all information with respect to the
admission of Candidates, and that
you will make the necessary enquiries.

Forward for your information
copy of the forms used by the late
Principal.

McCannish's address
is Port Louis, Victoria.

Very faithfully,
D. A. Jones

Secy. Mount Allison.

Rev. A. Jones M.A.
