SUGGESTIONS REGARDING OCTOBER 4TH

Dear Brethren,

Sunday 4th October has been set apart by The Department of the Federal Council of the Churches of Christ in the United States of America in order to demonstrate the underlying unity of faith that characterizes various denominations of the Christian Church. The large number of Americans in our midst, rendering such valuable service to our country, makes a gesture of fellowship most timely.

It is suggested that as we gather round the Lord's Table on that particular day in our own Churches that we should remember the fact that the Lord's Supper is a badge of fellowship. "We being many are one bread, and one body." Let us therefore devote a short time to prayer for all who name the Name of Christ, seeking that we may come closer to Him and so draw closer to one another.

Believe me,

Yours sincerely,

HOWARD SYDNEY.
