Your kind letter of the 23rd reached me here
last night. I am out of Eng^d for a few weeks of
visit with Mrs. Moore who has been very unwell.
Accept this brief message, to assure you of the very
warm interest, & thankfulness, with which I
have read y. letter, & of the pleasure it will be
to me if I can meet y. suggestion. Considering
the suggested date (Michaelmas) I am hopeful
that I may be able to be of some use. = 'Ο Κόπος

Most truly y^r H. C. Moore
Fidley Hall, Cambridge, to be forwarded, is the best address.
