My dear Sally

Your last letter which Mr  
James forwarded to me at  
Yps gave me very great  
satisfaction and happiness  
as it informed of the so  
much better health of our  
little grandson. Indeed I  
hope that through God's  
helping he may by this time  
be restored to health. I am now  
writing

writing from Charles (or more  
properly speaking I believe  
George Campbell's place) to  
which I came this morning. The  
day week I left Capt. Roper's  
and went to Mr. Edmonborough's  
where I left: next day to  
Gunning where Mr. (Arthur) Horn and his daughter  
Lewis: Thursday to Gaff. Have just arrived here. The  
Saturday I went to dine and  
sleep at Mr. O'Brien: and  
went in to Church on Sunday  
with Mr. O'Brien who expressed  
himself in very kind terms  
respecting you, and desired to  
be remembered to you when  
I wrote. Sunday evening I went  
to Mr. Burns' near Gaff  
I left: and yesterday  
came on to Mr. Palmer: with  
his daughter and his daughter  
Lewis: Thursday to Gaff. Have just arrived here. The  
Saturday I went to dine and  
sleep at Mr. O'Brien: and  
went in to Church on Sunday  
with Mr. O'Brien who expressed  
these few lines before they

they send in the letters: as they  
are 7 miles from the post office  
I think it better however to send  
this to say that I am quite well  
as I shall be out of the reach  
of the post all next week: and  
you might wonder at not  
hearing from me. Give my most  
affectionate love to the dear  
girls & to W. B. & say how truly  
I rejoice with him & Phoebe  
that their child is so much  
better. Believe me to be my  
dear Sally Gayer very affectionate  
husband W. G. Australia
