The number of peas in the bottle for the guessing competition for the Koala Bear was 141, the nearest to that number was P. O'Halloran of 91 Livingstone Road, Marrickville, who guessed 144. The Lampshade was won by Miss Pope who guessed 240 buttons in the bottle, the correct number.

Our first effort for the New Year will be another clean news-paper collection. This is to be followed by a clean rag collection, bags for such will be available from the Parish Hall in January. We would be very grateful to parishioners if they would save both papers and rags for us.

We look forward to another successful year in 1960.

I. BARRETT, Hon. Secretary

It was most pleasing to see so many of our members present on the afternoon of 8th December when the Guild had their breaking-up party for 1959.

Our first meeting for 1960 will be on 9th February when we shall begin working on our qucta for the Centenary Bells.

### Y.C.I. CHRONICLE REPORT

The Y.C.I. wishes to thank the many Parishioners who gave clocks, watches, silverware, crockery and a great variety of other articles to the White Elephant Stall at the recent Fete.

The final total amount of £104, and we wish to especially thank Mr. Arthur Cook for the tremendous amount of time and skill in renovating the clock and watches, this part of the Stall brought in £52. We also thank Mrs. Humphreys and Miss Turner for their assistance at the Fete.

The "Bucks' Christmas Party" was happily and successfully held on December 11th; as usual, the Y.C.I. Cricket "Test" mach provided the major part of the games, some very unusual incidents took place, and Umpire Fred Metcalf was kept busy with strange decisions. An excellent supper was enjoyed, followed with the singing of Carols, and the highlight of a visit from Santa Claus, who kindly distributed many "valuable" gifts.

The Party was brought to a close with a splendid tape recording arranged by Alan Jones which gave a flash back on Y.C.I. and Parish events during the year, included also, were Christmas Greetings from Jack Thomas from Pambula and Bob Heyworth in India.

The next Meeting will be held on Friday, January 8th at 8 p.m., at this meeting we are to have a visit from Mr. George Borwich, a former Test Umpire, and Mr. Herb Elphinston, a leading Umpire; these gentlemen will tell of their experiences in big cricket.

A cordial welcome is extended to the men of the Parish to this meeting.

**GIRLS' TENNIS CLUB**

---

As Christmas is drawing near, the School vacation is commencing and so we have decided to postpone tennis until the 6th February, 1960. Owing to the small number coming each week, we will decide in the new year as to whether or not we will carry on.

**ALL SAINTS' SUNDAY SCHOOL, PETERSHAM**

---

The Annual Picnic was successfully held on Saturday last, November 28th at Watson's Bay.

We were favoured with perfect weather, as unlike the City and many Suburbs who had a very hot day, the slight breeze kept the temperature just right.

Swimming was the most popular sport, cricket had its followers, while the races, in which each contestant received a prize, provided pleasure to scholars and especially the onlookers. We wish to once again thank our very good friends The Young Marrieds and Friends' Club, for again taking over the preparation and distribution of the all important "eats", the Ladies did a great job cheerfully and willingly.

We also wish to thank Mr. D. Taylor for his generous assistance, also Mr. Hird for his help, and indeed to all who helped to make the Picnic so successful and happy.

On Saturday, 5th December, the Kindergarten had their Christmas Party. The children spent a very happy afternoon and neither rain or thunder could drown the shouts of enthusiasm from within the Parish Hall. The songs sang by all and accompanied by Mrs. Hamilton and the games run by Mrs. Sayers, the tableau presented by Miss Sanderson's class, the Christmas Tree, the food and the gifts all combined to make up a wonderful afternoon and was enjoyed by all.

At this time on behalf of the Kindergarten staff I would like to express an appreciation of the time, energy and work put into the Kindergarten by Mrs. Quelch, we would like to wish her God's blessing for a very Happy and Peaceful Christmas and New Year.

On Saturday, 12th December, the higher classes of the Sunday School had their Christmas Party. On this occasion the Hall was brightly decorated with Christmas decorations which helped to heighten the Christmas spirit. All those who attended had a wonderful time.

A special thank you to the members of the Young Marrieds and Friends' Club who gave the party and made it such a success.

J. JOYCE, Hon. Secretary

**PHYSICAL CULTURE CLUB**

---

Our Annual Concert was held on Monday, 7th December, and although the weather was far from perfect the Hall was practically filled. Our girls and "Mothers" certainly put on a most successful Concert which, judging by the applause was thoroughly enjoyed by all. Our heartiest congratulations to Mrs. Way, (Instructress) for her keen interest in our girls and for the work she has put into our Club. Many thanks girls and mothers for your splendid co-operation all through the year.

It is with much regret we had to say au-revoir to Mrs. Collis our pianist, Mrs. Collis feels she has had enough of piano-playing, but we hope otherwise.

To all who made such grand contributions in many ways during 1959 we say a very sincere thank you. Congratulations to all the girls in our Club for their work in the Concert and particularly so to the girls who won awards for their work during the year, namely, M. Jackson, R. Jackson, V. Harris, W. Lewis, R. Champion, D. Waters, J. Gamble, V. Kelly, R. Irwin, M. Hicks, S. Ward, B. Connell, C. Miller, L. Harris, L. O'Hara, L. Waters, M. Kelly, A. Thala, C. Dindin, A. Meehan, A. Pannica.

May we take this opportunity of wishing our girls a Happy New Year and looking forward to seeing them in February, 1960.

### A WORLD TEACHING CONFERENCE

---

What should we as the Christian Church, be doing about the world to-day? It is a world of fast changing forces—social, political and scientific. Yet it is in this very situation that the church has to find its place, to serve mankind and proclaim the Christian Gospel. Above all it must always have a vital sense of mission.

The crucial question which as Christmas we must all face is this “what is the life and mission of the Church to-day?” The World Council of Churches has directed this question at the World Student Christian Federation in universities throughout the world. It has done this for several reasons, but chiefly because it is the younger generation that has to face the future and find answers to its problem. The future can only be met realistically if young people throughout the world are prepared to equip themselves and can catch some vision of the Church’s Mission.

The crucial question which as christians we must all face is this of the World Student Christian Federation is endeavouring to make some contribution to this world-wide project. It will be climaxed by the attendance of Australian delegates at the World Teaching Conference to be held at Strasbourg in July next year. The Student Christian Movement in Sydney University feels it imperative that two delegates from N.S.W. should attend, so that the churches here can receive the benefit of the teaching of fifty outstanding church leaders.

If this is to happen the wholehearted backing of this and all other churches is needed. It is the local church that is called to proclaim the Christian Gospel, and how this is best done is the task to which the Strasbourg Conference has addressed itself.
