

May 9. 87

WYCLIFFE LODGE,
OXFORD.

Dear Mr Jones

I enclose a line for the Bishop.
You will be able to tell him full particulars.
Do all you can to keep from catching cold during
the voyage, so as to arrive in Melbourne in good
health; but whether well or not, make the
Bishop's acquaintance at once. My God direct &
bless & give you needed strength. Ever yr. aff
