

**AUSTRALIAN CHURCH WOMEN  
NSW STATE UNIT INC.**

***Minutes of the Council Meeting Monday 19<sup>th</sup> March, 2018  
10.30 am, 222 Pitt Street, Sydney***

**WELCOME:** President Pamela Freeman welcomed all to the meeting and commented that it was good to be back at ACW again. A special welcome was given to Bible Society representative, Mitch Hammond.

**DEVOTIONS:** Pamela shared aspects of the Easter story: *A person's attitude about the resurrection is important any time of the year, not simply at Easter. If we are going to accept or reject a scriptural truth, we should understand how that principle impacts not only our faith but also our witness. The greatest implication of claiming Jesus remained in the grave is that we are left with no hope of salvation. This, in turn, makes telling others about the Lord pointless. Jesus is the One who brings life-giving force to the Gospel message. Further, we would be lying about God when we witnessed according to Scripture, saying He raised Jesus when He actually had not. If the Father didn't resurrect the Son, then He must also be dishonest about the eternal nature of believers. How could we ever hope to be 'absent from the body and ...at home with the Lord' upon death if the blameless Son Himself did not receive such treatment? (2 Corinthians 5:8). Without Christ's resurrection we have no saving Lord, no powerful Word, no hope of eternity, and a dead faith. A wise believer studies Scripture and, therefore, recognises how God's salvation plan fits together from Genesis to Revelation. The only legitimate basis for eternal hope is receiving Jesus Christ's sacrifice for our transgressions and believing He conquered sin and death to rise again. Pamela closed the Devotions with prayer, thanking God for providing Jesus as our Saviour and raising Him from the dead as evidence that we too will rise from the dead.*

Pamela thanked the many ACW ladies who gave their prayerful support during her recent health challenge.

At the next Council Meeting the Orders of Service will be available for branch representatives to take.

Lyn has received an email from NE advising that there are no applications for a Special Project for 2018, and encouraged Council Members to think about possible projects or programs in their church or church they may be aware of that could be boosted with a bit of funding, see Lyn for an application. The general offering at World Community Day goes half to ACWC and half to the Special Project. The amount given is usually between \$2000 - \$3000.

This is the last year that Lyn can be Special Days Convener – the Constitution states that the maximum time served in a position is 5 years + 2. Lyn encouraged those present to consider taking on this role and perhaps assisting her in 2018 and taking on the position next year.

**Winifred Kiek Scholarship:** Judith distributed this year's Winifred Kiek Scholarship leaflet giving information about the 2018 Scholarship recipients Lauren England and Elise Ruthenbeck. **Bible Society:** Mitch Hammond from the Bible Society outlined his background in youth ministry and as a school chaplain. He attributes his turning to Christ at age 15, to the prayers of two girls at his school who prayed for him each day for 3 months and commented that the prayers of women are powerful. He has been with the Bible Society for 3 months. He is honoured to be part of the oldest organisation in Australia. Many of the projects that the Bible Society undertakes are in the area of literacy; not only giving bibles but giving education as well. Mitch outlined one of the major projects of the Bible Society in Nicaragua supporting the only hospital in the country that treats children with cancer, supplying scripture to the families, children and hospital staff, helping train volunteers, pastors and chaplains to work in the hospital. They also help financially with medical bills and funerals if needed. Their Autumn Appeal is literacy program for African Women. In the next 3 years they will reach 20,000 African women. This is a collaborative effort working with Bible Societies in Africa to provide

literacy classes and using the bible to do that. This program targets young mothers. He stressed that sub-Saharan Africa is the poorest area but also the most Christian area – by the year 2060 forty percent of Christians will be in this region. Mitch left flyers for everyone to take.
