#### 8. Reports

- 1) **FLC** – Jan reported that she and Donna Bryan discussed obtaining Application Forms for FLC grants. As original forms only are allowed Donna contacted Corazon, who advised that forms can be obtained from Shu Wen. The 'guidelines' state that applications for grants should be for an Australian project and that applications should be with the National Executive by 30 April. Jan feels that this process is very difficult, and will follow up the matter regarding 'original' forms rather than photocopies.
- 2) **WKS** – Constance reported that the WKS pamphlets were posted to the convenors on 18 March 2009. Most Units have acknowledged receipt of same and the new format has been met with approval. WK scholar Christine Ferguson reports that she is enjoying her studies and is now feeling less daunted by the work load. In September she will travel to Townsville for a mission week. Margaret Morice (Qld convenor) forwarded a notice from the Anglican Focus magazine featuring Tania Eichler at her ordination. Leola Loughnan (WA convenor) has forwarded photographs of many past WK students and Constance now has almost a complete photographic list of students from 1978 until now. Any one with any photographs of scholars prior to 1978, please forward to Constance.
- 3) **Special Days** – The application for the Special Project in 2009 from *Kairos Outside* in Western Australia, has been ratified by all Units and Fran will be officially notified that the project has the necessary support to proceed.
- 4) **Social Justice** – In the absence of Judith-Ann (as she has suffered a fall) no report had been received, but she is still working on the issues of *Alco Pops* and 'safe surrender laws' and will have updates at the May meeting. Jan had some items regarding these issues to pass on to Judith-Ann.
- 5) **Publications** – April-June 2009 Newsletter had been distributed, and thanks to Eileen were recorded.
- 6) **ACWC** – Donna will leave on 4 April to attend an ACWC Committee meeting in Korea, returning on 23 April. We look forward to a report from Donna for the next meeting.
- 7) **Website** – Brenda has updated the ACW National web page with information on the Conference, and will arrange for the logo to be updated. [Incorrect information about updating Unit web sites may have been provided previously. See Guidelines p.28. Brenda is responsible for National web page only, and Unit convenors are responsible for maintenance of their Unit sites.]
- 8) **AWC** - President Jean had received a 40 page report on "Gender Divide" and tabled the document for information.
- 9) **President** – Jean has accepted invitations to visit both SA and WA Units. She will fly to SA on 8 May and then go on to WA on 13 May, returning to Canberra on a direct flight from Perth on 17 May 2009.

9. **General Business**

- 1) **Conference Planning.** Monday 27 April has been set down as a full day of planning. A letter will be sent regarding costs of single rooms and possible "triple share" rooms.
- 2) **National Reports** – in order to prepare National reports, a reminder goes to all Unit convenors to forward their two-year report to the National Convenors as soon as practicable.
- 3) **Unit Survey** summaries will be sent to all Units.

10. **Next Meeting** – at 10.00 am on Friday, 8 May 2009, at the same venue, with apologies from President Jean and Angela Devlin.
