BUSINESS ARISING: (1) Fellowship of the Least Coin. It was reported that the leaflet and label had been completed and had been circulated to the State Women's Inter-Church Councils; United Churches and State Councils and Committees of the ACC. It was agreed that these should also go to the Federal Denominational Womens organisations.

(2) World Community Day - reported that the ACT had ordered 200 copies of the material and the Victorian Women's I.C.C. 120 for publicity. A discussion took place concerning the preparation of a statement on the significance of World Community Day stressing that it is part of Australian Church Women and the first time it had been planned on an Australia-wide basis.

It was agreed that Mrs. Verco with the assistance of Mr. Hinton produce two statements - for the use of the press and on World Community Day.

During the discussion Mrs. Verco reported on the developments in NSW for the observance at country and metropolitan centres. In particular she reported that it was planned to have the Day at Dulwich Hill and the local Committee had indicated that there were a number of Greek Orthodox Churches in the area. It was suggested that Mrs. Verco investigate the matter of simultaneous translator with Mrs. Doratis to encourage the Greek women to attend the service and further suggested that they may also be able to share in the study by having a special group for them.

WINIFRED KIEK SCHOLARSHIPS: It was reported that preliminary discussions had been held with Mr. Hinton and that it looked as if we could co-operate with ICA in a project. Agreed that Deaconess Andrews and Mrs. H. J. Lilley form a sub-committee to look into the background of people already in Australia under similar scholarships and facilities available. Sub-committee to report back to Interim Committee for further consultation with Rev. C. R. Sprackett and Mr. W. V. Hinton.

The meeting agreed to think about suitable topics for further study books and suggestions of people we could approach to write the study.
