COMMUNITY DAY. REPORT.

The venue for Community Day 1961 was the Bible House Hall, situated in Bathurst st. Sydney. The theme was "Jesus Christ, The Light of the World". Both morning and afternoon sessions were challenging and inspiring. The Rev. B.R. Wyllie M.A. addressed the morning gathering, and gave much insight into the workings of the World Council of Churches, and referred to the forthcoming assembly at New Delhi later this year. The passage of Scripture read by the Secretary was taken from John 17. and the speaker emphasises verse 21 - "That they may be one" referring to the Christian Church.

Mrs. Manefield, President, chaired both gatherings. The afternoon gathering took the form of group discussions with plenary sessions to follow, which were most helpful. Many questions, debatable throughout the years were raised and opinions voiced.

There was a most pleasing number which gathered for both sessions. The Salvation Army Congress Hall Womens Voice Party brought blessing with their message of song. The Rev. Taylor, Secretary, of the Australian Council of Churches also addressed the morning gathering, and we feel that with his guidance much more effective work will be accomplished for the Kingdom.

Assistant Sec. Mrs. Pearson helpfully arranged and oversaw morning tea and lunch, at which there was a most happy spirit of good fellowship. The floral decorations were an inspiration, having been attended to by Mrs. Vercoe and her helpers.

The most helpful day was brought to a conclusion with prayer and dedication.

Hon. Secretary.
