

P.S: I trust that the New-  
bridge Mission may be a  
great blessing to the place.

Dear Mr. Jones,

Mrs. Goe and I  
are rejoiced to learn  
that your voice has  
been restored to you,  
& that, too, without a  
painful operation;  
may God grant you  
grace to use it for  
His glory.

I hope that you will observe all needful precautions, lest you should overstrain it.

Thank you for two letters with reference to Mr. Berrie; I may want him for another district, but I cannot at present speak definitely.

I thank you for the

kind & brotherly oversight which Berrie is receiving from you, & I trust that God may so bless your influence over him, that he may be "stablished, strengthened, settled". With kind remembrances to you & Mrs. Jones, in which Mrs. Goe joins, I am,

Yrs sincerely

F. F. Melbourne
