

Jubilee Song

Words: Pauline Webb

Music: Ching fu T'ien, 'Yenching' adapted

1. Fifty years of women sharing
Coins that are of little worth
Till they're multiplied in caring
For the needy of the earth

Chorus:

*Sharing is our way of caring
Sharing every smallest coin*

2. Fifty years of women praying
For our sisters far and near
Asking God to bless them, saying,
Everyone to God is dear

Chorus:

*Praying is our way of saying
Everyone to God is dear*

3. Fifty years of women striving
For a just and world wide peace
With fair trade and crops all thriving
When all hate and wars shall cease

Chorus:

*Striving is our way of thriving
In our work of making peace*

4. Fifty years of women keeping
Faith in power that works by love
Sharing joy and calming weeping
Drawing strength from God above

Chorus:

*Keeping faith despite all weeping
In the power of God's great love.*

5. Fifty years of women preaching
Though men did not always heed
Now together we are reaching
Thousands with good news indeed
Chorus:
*Preaching is our way of teaching
Christ is risen, risen indeed. Alleluia!*
