

BISHOPSCOURT, The Deanery
SYDNEY.

July. 12. 1910

My dear Mr. Taylor

I am very glad that you will come
amongst us. I am certain that you may
well feel that God has work here for you.

I am that I am sorry in days that
you are ordained here - but you hold a curacy
in his diocese, & indeed the C.A.B.

It is a pleasure to me to think that
you are ordained to a curacy in my
old Archdeaconry: and also I am glad
to think that in Mr. Taylor we shall have
a good Boltonian in our midst.

With kind regards

Yours sincerely

John Charles Sydney
