## 7. General Business

- **Follow up to National Conference 2011** The Vice Presidents were asked to peruse the Conference Working Papers to identify any issues still to be followed up, and to report to February meeting.
  - **Constitution Review**
    - Margaret circulated a brief report summarising responses from Units and work done over January. After some discussion it was decided to hold a special meeting at the end of the February NE meeting (Lee to check availability of room until 2.30pm). State Unit members to be invited to participate. Main aim to identify issues with the 4 models. As some Units have already spent some time considering the four models, it was thought that they might like to look at the first drafts Margaret has prepared for each model. Margaret was authorised to advertise in the early February Circular that drafts are available on request.
  - **Ongoing revision of Guidelines** A book will be kept to note any suggestions. It was noted that normally Guidelines are only updated at National Conference.
  - **Planning for National Conference 2013** The Vice Presidents were asked to give some thought to drawing up a draft programme and identifying issues such as venue/format for formal dinner and ecumenical service. Gill Muir has produced beautiful embroidered motifs for conference bags.
  - **Planning for 2012 AGM** It was noted that a decision on both format and timing depends partly on progress with the Constitution Review.
- **Closure of Meeting** The meeting closed at 1.15pm and was followed by lunch and fellowship. Thanks to Laurel for her hospitality.
  - **Next Meeting** The next meeting will be held at 97 William Street Perth on Monday 13 February commencing at 10am. **Devotions:** Marie Majoor.
