Dear John,

I heard this afternoon that
you 3 men have got 2nd
class honors in the Cam. Pulm.
and hasten to express my
joy + congratulations.

It was a very fine novel
+ you richly deserved it. Kindly
congratulate the men for me,
+ be sure to have it put in next
week's V.C. Send it by Monday,
also next mon. messenger.

Your name is made now. I
have just been writing to the
Dean of Honey, + taking the

liberty of speaking of a man
called Jones in a certain
connection, of which I fancy you
will hear soon. Do you think
you & your wife could stand
the Sydney climate?

JONES FOR EVER!

VOTE FOR JONES!!

JONES IS THE BOY!!!

oyez! oyez!! oyez!!!
