Convenors' Reports.

Fellowship of the Least Coin. Mrs West reported that the Audio-visual has been sent to Tamworth, where it will be for three weeks. She then mentioned the agony of South Africa at this time of the 10th. anniversary of Soweto. Other countries of Africa, with their power struggles were mentioned and we were asked to pray for these people that they may be reconciled to God.

Burma was outlined to us -- a short profile of this country, our Prayer Partners, and we remembered the Christian churches there. Using the devotional page written by an Egyptian lady, 'Peace is the Presence of God' our thoughts were turned to the reason for our affiliation with the Fellowship of the Least Coin. we are to pray for peace and reconciliation.

W.Kiek Convenor. Mrs Davis making her first report, indicated that the leaflets are available for inclusion with the Fellowship Day services. The Committee will hold its first meeting at the conclusion of the Council meeting.

Publicity. Printed sheets giving the venues and dates of the Fellowship Day services are available. The convenor requests that any reports of publicity for our services be given to her for the scrap book.

World Community Day, October, 1986. Delegates were asked to publicize early. The convenor requires dates and venues where possible by July in order to print them in Newsette, the August copy.

Promotions. Forms for information of attendance etc. at services are to go with the orders of service. Delegates were asked to take their bundles of Winifred Kiek leaflets.

It was suggested that where services are held in churches where the Australian Hymn Book is not used, it should be possible to make arrangements to borrow copies from a near-by church. This is preferable to altering the hymns which have been specially chosen to suit the service. Organisers are reminded that it is sensible to change the hymn tunes if they appear to be not well-known.

General Business. Celebration of Womenhood Service, July 25. Members were invited to attend this service.

The Treasurer informed the meeting that there is sufficient money for us to under-write the expenses (Travel and other conference expenses) of sending our President to the A.C.W.C. meetings in Bangkok.

She reported that \$5000 has been re-invested at 13% with the Glebe Board and that \$2000 is on call. \$1000 can be readily withdrawn.

A message of thanks for our donation of \$200 has been received from Rathie Selverathan.

Sales Table. Deaconess Andrews reminded members that the Sales Table operates at each meeting and the money received goes to Overseas Fund.

Life Members. Deaconess reported that Mrs. Montgomerie now lives in a nursing home. Mrs. Stolz suffered the loss of her husband in May. A letter of sympathy is to be written to Mrs Stolz. Deaconess offered to keep in touch with our Life Members.

Ecumenical Council. It was reported that Rev. Dr. Ray Williamson has commenced duties as the new secretary of the Council. Deaconess Andrews reported that she has acquainted him of the work of A.C.W. and of World Day of Prayer. His interest was mixed with his envy of our financial viability. Prayer is asked for the work of the Ecumenical Council. Deaconess Andrews will attend the meetings of the Australian Council of Churches, 3-8 July in Canberra. Prayer was invited to support these meetings.

Newsette Report. Postage will rise some time in August and will affect Newsette. Photos of the Installation Day are available for order.
