- **Australian Women's Coalition (Laurel Pearce)**

Laurel attended the general meeting of AWC in Sydney on March 24. This was a good opportunity to meet members and learn about Coalition Projects. The coalition had sought funding from the Australian Government for a Diversity and Social Cohesion Programme entitled "Young Women with Voice". They were successful. The aim of the project is to develop empowerment skills in young women to lead in their own cultural and religious groups and wider Australian society. Young Women with Voice Workshops entitled Shout are now being advertised. They will be held in Auburn, Bankstown, Liverpool and Coffs Harbour in NSW and in Canberra. Laurel sent information on the project and workshops to NSW and ACT ACW Units.

Initial planning is taking place for an education programme of workshop in collaboration with medical and law groups for better long term care for survivors of sexual violence.

The Guest speaker was from the Garvan Institute who spoke about the osteoporosis programme. HELLO (Health Education for Longer Life in Osteoporosis) Early diagnosis is important. Unfortunately Bone Density Tests are expensive (\$50 to \$150) and attract no rebates from Government. Cheaper Bone ultrasounds at some Chemists are not a good idea as they are unreliable. If diagnosed with osteoporosis, correct medication is very expensive and again attracts no rebates. The Government only helps when a patient has a fracture (too late for effective help). The approach for improvement in this area needs to be twofold. Education and Pressure on Government and Health Funds to give rebates on Bone Density tests and for Osteoporosis medication.

The next meeting of AWC will be in Sydney on either November 10 or 17.

7. **General Business**

- **Constitution Review** Pleasing that responses are already coming in. Margaret was authorised to contact Units to follow up on their responses where appropriate.
- **Amendment of Guidelines post Conference** [*cf Rules section 19 (4) and Guidelines p.6*] It was noted that this cannot be done until we have received the Minutes of the National Conference. A draft copy based on the Working Papers has been prepared for reference.
- **Planning for 2012 AGM** Balance needed between maximising members' opportunity to participate and recognising the value of a face to face meeting given the importance of the constitution issue. Further discussion at next meeting.
- **Closure of Meeting** The meeting closed at 2.05pm. Our prayers are with Vice President Revd Lee Edwards for her trip to the UK, commencing next Monday 9 April.
- **Next Meeting** The next meeting will be held at 97 William Street Perth on Monday 14 May commencing at 10am. **Devotions:** to be confirmed
