

Sydney,
May, 1967.

Dear Friends,

We have pleasure in enclosing the 1966-67 Annual Report of the Women's Inter-Church Council, with which you will find the 14th and final report and balance sheet of the activities of "Wybalena" Hostel.

It is with some sadness that we announce the closing of "Wybalena" in December 1966. The rise in upkeep costs, the difficulty of getting trained reliable staff and the changed attitude of girls to hostel life have brought us to this decision.

We have given fifteen years' service to girls and feel it has been a worthwhile effort. Our sincere thanks go to all for help you have given us financially and in service.

"Wybalena" was an experiment in Church union and as far as the Hostel Committee is concerned, we have had the happiest fellowship and enjoyed our work, which at times has been very strenuous.

The proceeds of the sale of "Wybalena" will be earning interest until we determine their future use.

With Christian greetings and many thanks for past help,

Yours fraternally,

(Mrs. C. W. Stolz)
President,
Hostel Committee

N.S.W. WOMEN'S INTER-CHURCH COUNCIL "WYBALENA" HOSTEL REPORT 1966-67.

It is with a sense of sadness I present the 14th. and final report of "Wybalena" Hostel.

We commenced this year with 17 girls in residence and when we closed the Hostel there were 12 girls - not many of these being among the original 17 -.

Five meetings were held with an average of 10 members attending.

We record our appreciation of the Matron, Mrs. Randle, who carried on without the aid of a cook for many weeks thus saving us from a greater deficiency than \$782 - 21 for the seven months.

Our Registrar, Mrs. Knight, has had a very busy time with girls entering and leaving the Hostel so often.

The Treasurer, Mr. Chambers has kept a firm hold on our finances and has bravely attended our meetings. Mr. Chambers was very concerned at our monthly deficit brought about by the small number of girls in residence so the Committee asked Mrs. Millar to consult her Co-Trustees. Their advice was to sell "Wybalena" as soon as possible, to Bank the money realised from the sale of the property pending re-investment. The sale of "Wybalena" was discussed at W.I.C.C. meetings and the vote to sell was unanimous.

Cash in Bank on 29th. May, 1967 stands at \$27651 - 28 The trading loss of \$782 - 21 for seven months fully justified the decision to close the Hostel.

Our annual appeal letter, Christmas cards and cooking demonstration all helped to reduce our trading costs.

I appreciate all the help and support given me by the President, Mrs. Stolz and members of the Committee and know that we all have a feeling of sadness, that, owing to changing times and conditions, we are unable to carry on.

Hon. Secretary,

ADDENDUM. This report cannot be closed without mentioning the splendid work done by Mrs. Gundelach as Secretary over the past few years, to Mrs. Stolz who has chaired our meetings so capably for the past year and who assisted Mrs. Millar in disposing of the furniture etc., when the property was sold. This was a colossal task which took a great deal of time so we offer our grateful thanks to these ladies.
