Oxford, Mass  
4<sup>th</sup> October. 1893

My Lord.

I must first apologise  
for not having answered  
your letter sooner; with  
reference to the letters of  
my late Grandfather.  
I shall have very great pleasure  
in letting you have them  
for the purpose you require  
them: that is for publishing the  
History of Bishop Broughton.  
and if I get the sanction from  
my brothers & sisters, to do so  
will. give them by you, to  
preserve as you suggest.  
but would not like to part  
with them altogether without  
first Consulting. I am

of my people. I trust  
however that they will  
all agree to it. As you say  
it seems a pity that they  
should not be properly  
preserved.

With kind regards from Mr. Boydell.  
I am.

My dear  
Yours obediently  
R B Boydell.

Have not got the letters yet  
but Mr. Moore told me he had  
them: perhaps you can get them  
from him again.
