The Precious Love of Jesus.

H. J. Whitney

R. Fletcher

1. Oh! the precious love of Jesus. Love so tender, love so sweet, That with such adoring wonder,

Chorus.

Melts me at my Saviour's feet. Boundless love, forever flowing, Boundless love forever free.

Higher than the highest mountain, Deeper than the deepest sea,

2. Oh! the precious love of Jesus,
Falling like a healing balm
On my soul, distraught and anguished,
After storm, a hallowed calm.

3. Oh! the precious love of Jesus,
Love consoling, love unsought,
Gracious gift of matchless favour,
Free, unmerited, unbought.

4. Precious, precious love of Jesus,
Boundless flowing, fragrant, free,
Alabaster box of ointment
Broken and outpoured for me.

5. Lord, I take this precious treasure,
May my life a channel be
Of that love, in boundless measure
Shed abroad at Calvary.
