

AUSTRALIAN CHURCH WOMEN N.S.W. STATE UNIT

Minutes of the Council meeting, held at 222 Pitt Street, Sydney on Monday, 17 September, 1990.

Opening. The meeting opened with the President, Mrs Major Joan Tong in the Chair. There were 41 present & 17 recorded apologies.

Welcomes Mrs Val Clements, Anglican ~~delegate~~ ^{Visitor} was welcomed to her first meeting. Mrs Luriel Hawkins was welcomed as a visitor to the meeting. A member of the Uniting Church at Chatswood, she was introduced by Mrs Dorothy Woodhouse. Girls' Brigade delegate Mrs Jan Largin was also welcomed. It was good for us to have a delegate from Girls' Brigade back in our meetings. Mrs Col. Eana Paker was welcomed back after her holiday overseas. We were delighted to welcome Deaconess Mary's sister, Dorothy from Orange who was a visitor to the meeting. Thelma Skiller of World Council of Churches' staff was present in the meeting, as a speaker.

Devotions were conducted by Promotions Convenor, Peg Blake.

Peg spoke to us about Romans 15, verses 1-7 and 13. 'Accept one another'. Every job was important, everyone did the thing given to him or her. This is team work! We see this in the harmony produced by a well-trained choir. Where there is co-operation, all benefit. With the Lord Jesus Christ at the centre of activities and of our lives, we achieve the goals we set, when we work in harmony. We were reminded of the verse in Revelations 2:1 'Standing in the midst of our church.' Prayer completed the devotional time.

Speakers. Miss Thelma Skiller was welcomed to the meeting by the President and her purpose in speaking to us was explained. We were to hear about the World Council of Churches Assembly to be held in Canberra in February, 1991. A full report of this address to the meeting is attached to these minutes.

Appreciation to Thelma was expressed by the Secretary and a gift of one of the new F.L.C. spoons was given to her.

Winifred Kiek Scholarship Convenor, Mrs Lina Whybourne was welcomed as the other speaker at the day's meeting.

Lina began by introducing herself to us. Many of us remembered the circumstances of Lina's widowhood five years ago. Lina is the proud mother of a son, the father of her two grandsons and of a daughter who is a doctor.

Lina is an Anglican. She has been a member of Sunday School classes and Girls' Friendly Society, Young Wives and Mothers' Union, where she served as Diocesan Secretary for a term. By the influence of Olwen Bean & Deaconess Mary Andrews she became interested in A.C.U. She became an Anglican delegate to A.C.U. at the time that Olwen Bean was Promotions Convenor. Olwen 'promoted' better than she could have known at that time! With the encouragement of F.L.C. Convenor of the time, Glad West, Lina was instrumental in the beginning of the Sutherland Branch of A.C.U. This branch has grown so that now there are 89 church groups to notify about the Special Days.

Taking on the Convenorship for W.E.S. Lina felt she had two hard acts to follow — Mary Andrews and Yvonne Davis, both good W.E.S. Convenors.

We were reminded of the story of Winifred Kiek, the first woman to be ordained in Australia, in 1927. Lina recommended Rev. Kiek's story, told in the book 'Winifred' by her daughter Margaret Knauerhase. It was through the vision of Winifred Kiek and her involvement with W.E.S. and the Inter-Church Councils of her day, that a need was perceived for help for overseas women who would benefit from extra studies, not available in their own countries. This was the beginning of the Winifred Kiek Scholarship. At first the courses were restricted to studies in Christian subjects, but this was soon altered to include others, first teaching and nursing, and now courses like secretarial.

Mina told us of scholars she has met. Dien from Indonesia was one. Mina had lived in Indonesia and was able to converse with Dien in Indonesia -- for about 5 minutes. Then the conversation on Mina's part dried up! Another was Melini from Sri Lanka. It is good to know that we continue to support Melini with our 1990 World Community Day offering.

W.M.S. Visiting Fellowship holders, Kathi Selverathnum & Eunice Kim are also women Mina remembers with affection. 1990 Scholar, Doreen Tie is doing well with her studies in Sydney. She went with Mina to the Music & Flower Festival at Castle Hill where Doreen enjoyed herself in the company of Mina and her friends. Doreen impresses all who meet her by her winsome personality. Late in October she will commence her visits around the State Units, with a trip to A.C.T. Unit. The Council was encouraged to remember the Winifred Kiek Memorial Bursary Fund. It is from the interest on this fund that books are able to be bought for the current holders of the scholarship.

Mina then introduced the National A.R.S. Convenor, Lucelle King and invited her to give us up-to-the-minute news on the Scholarship. Lucelle was just back from Korea, where she met with Eunice Kim. She sends her love to us and hopes to see many of her Australian friends while in Australia in February 1991 for the W.C.C. Assembly meetings.

Rashmira is back home in Nepal after completing her course in Singapore. She is working part-time, hoping to soon increase to full-time.

Pailotus is teaching in Kirabati.

Doreen loves the course she is studying here, is learning a lot. Her visit to Brisbane is from 10-16 November. She will return home via visits to Melbourne, Tasmania and Perth, at the end of November.

1991 scholar has been announced. She is Rachel Lobana, a nurse from India. Her study will be in nursing administration a course available in both Melbourne & Sydney.

Both Lucelle & Mina were thanked for their contribution to the meeting. Marjory presented Mina with a small fern as our thank-you gift. (Baker)

Travelling & accommodation charges to be met by the delegate. Carried.

F.L.C. The Convenor led our thoughts by asking 'what can we do about the large problems in our world?' Is our small part going to make any difference? She told us a story of two birds and a snowflake. It was the last snowflake on the branch that broke the branch. Perhaps it is only one voice, our voice, that is needed to make the difference, to turn the tide.

The Prayer was taken from Circle of Prayer, 'Voice from Egypt'.
