Diocese of Sydney

The Chaplin House
Bathurst St.
Sydney.

July 31. 1913.

Mr. Ward
To the Mayor of Newtown

Dear Sir,

We have had a great deal of trouble
by the committee seems with regret. But the
Synodical of the Diocese of Sydney is in full use on
the Lord's Day ~~with~~ ^{by} the permission of the Newtown
Municipal Council and expresses the earnest
hope that the matter will be taken into consideration
by the Council with a view to the non-use of the
Synodical on that day; the action of the
Council will then feel in line with the
example of the City Council.

I am, dear Sir,

Yours truly,
Stephen Lloyd
Hon. Church Sec.
