

AUSTRALIAN CHURCH WOMEN
MINUTES OF NATIONAL EXECUTIVE MEETING, 10am 15th AUGUST 2000,
held in Koorong Bookstore Staff Room, 198 Waymouth Street, Adelaide

WELCOME President Mrs Marj Dredge welcomed all present.

DEVOTIONS Marj Dredge who had just returned from the Churches of Christ World Gathering said that women across the world are the bearers of hope in Christ and illustrated this with 2 stories. Christian women in the Philippines when preparing the family meal take a handful of rice and offer prayer for women then place the rice in a special sack which when full is given to the poorest of the poor. A woman from Zimbabwe said there are now 350 burials per week in her area due to AIDS. They run a farm where orphans (from AIDS) are cared for. Many Africans have an animist philosophy and say the ancestors are bringing AIDS upon them so are deaf to all facts re the spread of AIDS. The only hope to stop this epidemic is living in the Christian way - our prayers are needed as these women show their Christian faith.

Marj and husband Colin had a few days' respite following the Gathering and in the Queensland rain forest saw the strangler fig which begins from a tiny seed lodged in the tree and sends its roots down the tree and eventually kills it. The seed of hope and faith planted in people can so envelop the natural self that they can be absorbed into Christ.

Our prayers were for Christians to act this way. Then Barbara Grealy prayed for the World Day of Prayer National Liaison officer for Sth Africa, Emily, as she grieves over the tragic death of her son.

PRESENT Marj Dredge in Chair, Maureen Clark, Shirley Birch, Laurice Smith, Dorothy Chapman, Margaret Greenslade, Barbara Grealy, Shirley Sampson, Marj Crawford and Mavis Ellis.

APOLOGY Dorothy Ferrier.

3 Social Justice Convener - Mavis Ellis

I have received an invitation to a Fairwear Breakfast on Friday 8 September. Community Aid Abroad and Fairwear have organised a National tour for an Indonesian ex-NIKE worker and he will speak on his experiences trying to deal with NIKE. There will also be Australian speakers on how the issue is being addressed here in Australia. This breakfast will be held during the Royal Show so I will not be able to attend but as the SA Unit took this issue to the National Conference I think it is important that we should be represented. I have not yet contacted Lyn Smith (SA Unit Social Justice Con) but she should be home by then.

ACWC REPORT - Barbara Lacy

We have all been very disappointed with the last ACWC Newsletter. As someone (unnamed) said to me it is not worth the money we pay. It is on the agenda for Bangladesh, and no doubt national reps will have to be made more responsible. I did submit an entry/reflection. Our report of National Conference was sent immediately, but look how long it took to be printed. Oh well, I only do my best.
