THE reading of the Bible strengthens character. It gives direction for this life and for the life which is to come. There are various ways of reading the Bible. One good way is to read it through chapter by chapter. Another way is to read it by the *subjects* with which it deals. This is the way suggested by this series of readings. All the readings of one week deal with one particular subject.

THE HOLY BIBLE

REVEALS the mind of God, the state of man, the way of Salvation, the doom of sinners, and the happiness of believers. Its doctrines are holy, its precepts are binding, its histories are true, and its decisions are immutable. Read it to be wise, believe it to be safe, and practise it to be holy. It contains light to direct you, food to support you, and comfort to cheer you. It is the traveller's map, the pilgrim's staff, the pilot's compass, the soldier's sword, and the Christian's charter. Here Paradise is restored, Heaven opened, and the gates of Hell disclosed.

CHRIST IS ITS GRAND SUBJECT, our good its design, and the glory of God its end. It should fill the memory, rule the heart, and guide the feet. Read it slowly, frequently, prayerfully. It is a mine of wealth, a paradise of glory, and a river of pleasure. It is given you in life, will be opened at the Judgment, and remembered for ever. It involves the highest responsibility, will reward the greatest labour, and will condemn all who trifle with its sacred contents.
