Why I Am PRO-CHOICE !

Why I Am PRO-CHOICE !

by Linleigh J. Roberts

I AM PRO-CHOICE BECAUSE:

I have a will and must make choices every day.

After I choose to get out of bed in the morning, I must choose (decide) what clothes to wear, what food to eat, what I need to work on, and many other things. Like everyone else, I am continually confronted with choices. To deprive me of my power of choice would destroy me as a person. If I have no choice, I am nothing more than a cog in a fatalistic machine.

All my decisions are based on :

- what I know
- and, how I feel.

I am not going to the opera today, for example, because:

- ~ I do not know if there is an opera today, and even if there were,
- ~ I have no desire to go. (I feel no inclination to attend!)

Decisions (Choices) imply responsibility:

Everyone deplores irresponsibility because it reveals foolishness or stupidity. To make responsible decisions (and wise) choices demands:

- knowledge of the facts pertaining to the matter,
- and, the desire to do what is right.

(Wisdom is the power to make the right choices and to

follow the soundest course of action.) To make wise, responsible choices, therefore, I must have:

Accurate information
in my mind

and

The right desire or
inclination of my heart.

Result: A wise and
responsible decision
which is right and just.

THE ABORTION ISSUE:

Pro-abortion advocates oftentimes claim that “pro-life” people endeavor to deprive them of their right to choose. All the pro-life people I know have no desire to deprive anyone of his right of choice. Rather, “pro-lifers” are concerned that people know the facts and do what is right and just. “Pro-lifers” are concerned also-

- over the fact that the unborn are robbed of their right to choose— indeed, of life itself!
- over the fact that many who have abortions do not know the *consequences*.

Pro-abortionists allow no choice; they will not present alternatives and they avoid talking about the consequences. Though pro-abortionists call themselves “pro-choice” their position on abortion is actually **anti-choice**!

Actually, abortion is not a matter of choice; it is a matter of death!

Abortion is based on:

False information

and

Selfish inclination.

Result: An unwise and
irresponsible decision
which is unrighteous
and unjust.

To choose an abortion is to act irresponsibly — without due regard for the life of the unborn or the consequences for the mother.

While you have been reading this leaflet,
another half dozen babies have been
destroyed through abortion
and deprived of their right to choose
The matter is URGENT

- Learn the facts from a responsible source and
- Exercise your right of choice by speaking out on behalf of the unborn.

The God who made you and gave you a choice, says,

“I have set before you life and death. So choose life in order that you may live, you and your descendants, by loving the Lord your God, by obeying his voice, and by holding fast to Him.”

Deuteronomy 30:19-20

“Choose for yourselves today whom you will serve. As for me and my house, we will serve the Lord.”

Joshua 24:15

DID YOU KNOW

- - that about one third of all the babies conceived in the U.S. are aborted? In some metropolitan areas, abortions outnumber live births. Every year, about 1.6 million unborn children die at the hands of the abortionist..At that rate, abortion claims:

131,520 lives each month,

4,384 lives every day,

183 lives every hour,

3 lives every minute, and

1 life every 20 seconds - -

all because of unwise and irresponsible choices!

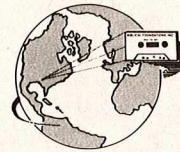

- - that the primary reason for women seeking an abortion is **convenience**? One to three percent of abortions performed are for reasons of incest, fetal abnormalities, rape, or danger to the life of the mother.

- - that God forgives those who acknowledge their transgressions and admit their sin? [Psalm 32:5] - including the sin of taking the life of an unborn child! Through Jesus Christ, those who abort their babies or perform abortions can find mercy and be relieved of guilt. In Jesus Christ, there is restoration and peace,

- - God sent His Son - who was born of a virgin - to redeem those who are condemned under God's moral Law. **Aren't you glad that Mary, the mother of Jesus, did not have an abortion?**
