

Deanery

April 24th 1897

My dear Mr. Jones,

I ought to
have sooner written to you
to acknowledge your
letter of the 14th, stating
your acceptance of the
office of Principal of
Moore College. My not
doing so was an oversight
which I became con-
scious of last evening.
Upon the receipt

of your letter I com-
municated its contents
to my Co-Trustee W E
Knorr, and it was a great
satisfaction to him as well
as myself that the
question was thus settled
and that we were to have
the benefit of your
services.

On speaking to the
Registrar upon the subject
of your coming, he said
that he would be glad

To know when you
would be prepared to
take possession of the
residence, as he would
have to give Mr. Schleicher
notice to vacate the prem-
ises. I do not know whether
he has written to you yet,
making this inquiry.

Believe me,
My dear Mr. Jones
Yours very sincerely
William H. Burd

The Rev.
R. Jones
