Dear Jones,
Marshall Bros do
not publish that kind
of book. I am waiting
to hear from you before
doing anything as the
matter may not be in
your hands. Ought you
not to have had the
book copyrighted? Any
publisher could pirate

it now. Saw Bishop
Goe & he thought - its present
set up would go against it,
& would be made use of
by adverse reviewers.

Our kindest regards to
Journey & Lutebrace

Yrs very sincerely
Wm Carey Ward
